

Pipers Play Spur Bulldogs Tonight

Hamlin High School Pipers will meet the Spur Bulldogs at Piper Stadium Friday night and indications are that the local "11" will not find the going quite as tough as in their first two encounters of the season. Spur defeated Haskell 13 to 0 in their season opener and last week Haskell was defeated 7-0 by Rule, a class B team. Last Friday Spur and Post tied at six-all.

Coaches Howard and King report their charges are in good shape with the exception of Kite, first-string center, who is nursing an injured knee. He is expected to start, however.

Spur has a good-sized team, but will not outweigh the locals as much as Rotan and Merkel. Their heaviest man is a 195-pound tackle and their starting lineup has two backs weighing 130 pounds each.

Kickoff for the Friday night melee will again take place at 8:00 o'clock p. m. and the starting lineups as released by the schools are as follows:

Hamlin	Pos.	Spur
Wilder	LT	Bass
Goodgame	B. LT	Roberson
Adams	LG	Calvert
Kite	C	Bingham
Criswell	RG	Reynolds
Phipps	RT	Chastain
Black	RE	Wilson
Townsend	QB	Simpson
Owens	LH	Allredge
Butler	RH	Barclay
Putnam	FB	Wright

Holloway and Brigham Win at State Jersey Show

Kenneth Holloway, member of the Hamlin FFA chapter and Elton Brigham, Tuxedo 4-H member and former member of the local FFA, did a good job of representing Jones County at the State Jersey Show in Ohio.

Holloway won first with his young milk cow, Noble Queen Vida, third with senior heifer calf, Cameo (a Deep-bred heifer), and seventh with a yearling heifer, Amiable Delicious.

Holloway's Cameo and Brigham's Rosita were selected as members of the Texas junior herd to go to the National Dairy Show at Columbus, Ohio.

Holloway's three winners and Brigham's made up a group of five from Jones County that won first in the state as reported last week. In the FFA and 4-H judging contest, Holloway won first among over 400 club boys, making a high score of 943 out of a possible 1,000 points for a perfect score.

Brigham and Joe Armstrong, two Jones County 4-H Club boys were among the highest 4-H Club boys judging and will be members of the Texas 4-H Club team to compete in the National Dairy Judging Contest at Columbus, Ohio on October 23. He will receive several days special training at A. & M. College before going to Columbus.

First Methodist Sunday School Elects Officers

Officers and teachers for the coming year, beginning October 1, have been elected for the Sunday School Department of the First Methodist Church.

Joe Simpson was reelected general superintendent. J. C. Bessire is the general secretary. Other superintendents elected are: R. N. Fairley, adult division; Mrs. Gordon R. Bennett, youth division; Mrs. Fred C. Smith, children's division and Mrs. Joe W. McCrary, junior department. Adult teachers are: Gordon R. Bennett, Men's Bible Class; Mrs. Mart Farrow, King's Daughters Class and Mrs. E. M. Wilson, Comrades Class.

Teachers in the youth division are Mrs. Tom Teague, Mrs. M. T. Hudson and Mrs. R. N. Fairley, intermediate classes and Mrs. C. V. Shelton, assistant for intermediates and Mrs. Brad Rowland, senior class.

Mrs. Alvin Hudson and Mrs. Alfred Hardin are nursery teachers in the children's division with Mrs. Jim Hudson as assistant. Miss Georgia Moore teaches the beginners; Mrs. H. A. Johnston the primary class and Mrs. W. H. Parker, Mrs. Bert Fomby and Brad Rowland the junior classes.

Methodists Will Observe World Communion Service

With other Christians around the world, the First Methodist Church will observe World-wide Communion service Sunday, October 5. This is the eighth year the Lord's Supper has been celebrated in this way.

"It is of great significance at this time with the world torn by strife and confusion and misunderstanding. It will give to each mellowed of Christ, a sense of belonging, and that he is a part of a great family of faith, who love Christ and seek to do His will 'on earth as it is done in heaven.' The Cross binds all the Christian hearts together."

The pastor, Dr. Will C. House, will give a Communion meditation at the morning service.

Omar Burleson Addresses Lions Club Tuesday Eve

Hamlin Lions Club entertained with Ladies Night Tuesday evening in the home of Mr. and Mrs. W. C. (Ted) Russell, with Congressman and Mrs. Omar Burleson as honored guests.

Receiving members and their wives at the door were the president, Mr. and Mrs. I. R. Huchingson, Congressman and Mrs. Burleson and Mr. and Mrs. W. C. Russell.

A buffet dinner was served in the patio with Mrs. W. L. Boyd Jr. serving punch and Mrs. Henry Albritton serving sandwiches, pickles, olives, potato chips, fritos and eskimo pies. Mrs. Clyde Angel assisted in serving. Mrs. Gordon R. Bennett had been appointed as special Tail Twister for the evening and played her part well, collecting fines from most every man present, many innocent ones as well as the guilty.

President Huchingson took charge asking vice-president, Delma Shalburne to introduce the new members, R. N. Fairley and Harry Carmichael. They were well presented, in Lion Club fashion.

Clyde Angel and Henry Albritton were program chairmen. Albritton gave the welcome address and introduced Mrs. J. W. Ezell, who gave a five-minute discussion concerning her recent trip to Europe.

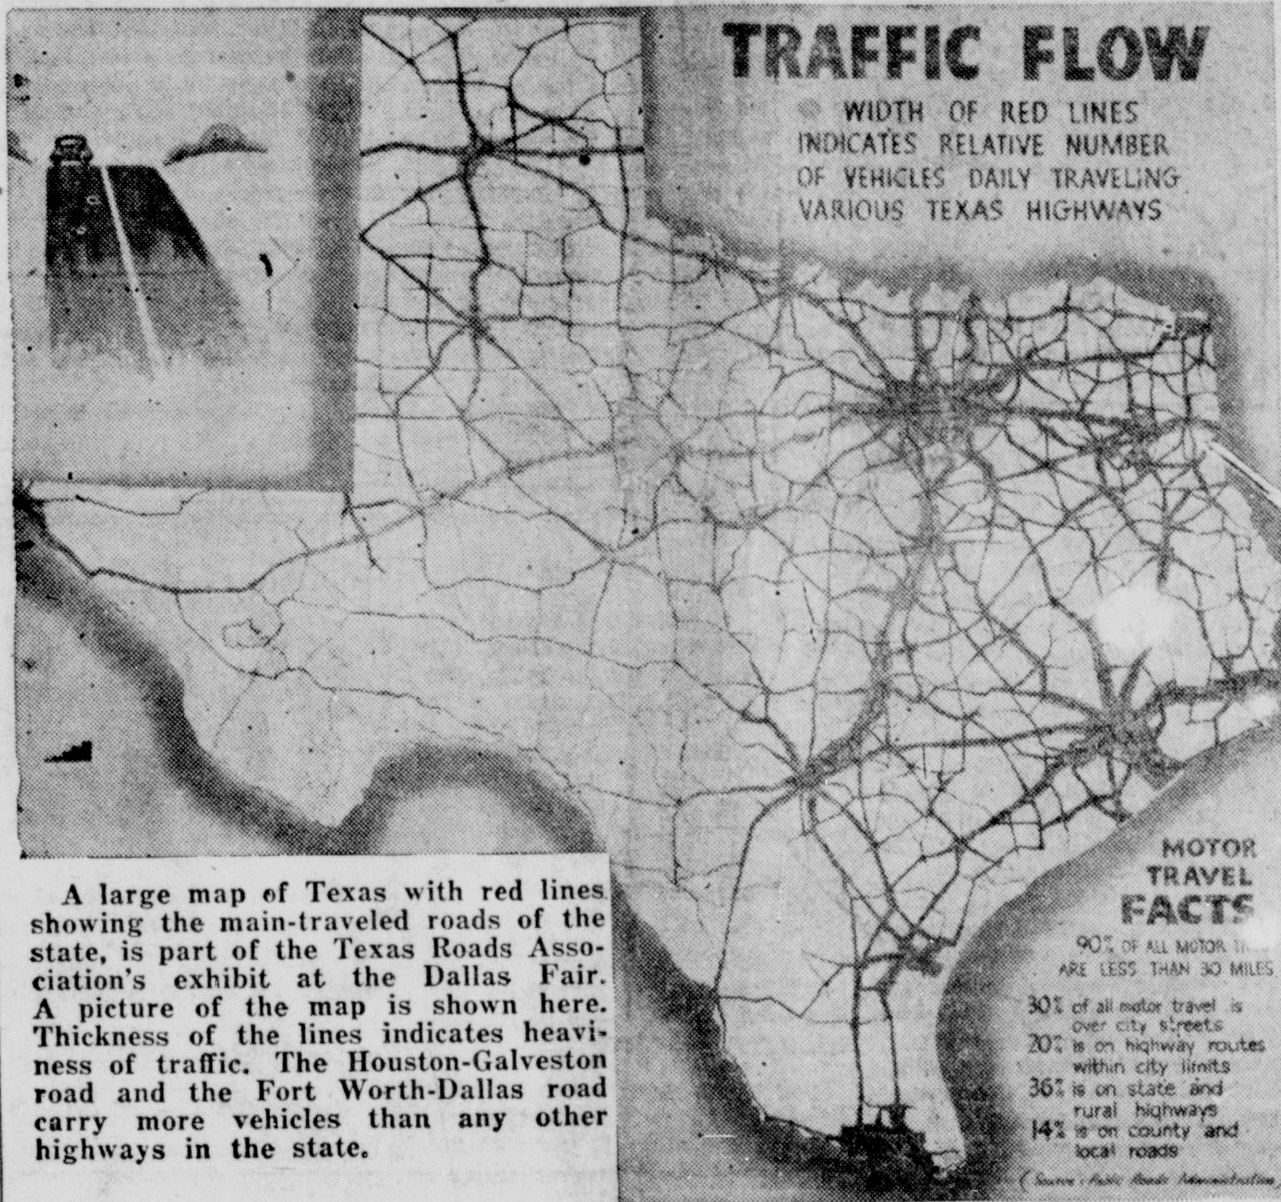

Lester Morton, accompanied by Mrs. Morton at the piano, sang "Beautiful Dreamer" and "Wagon Wheels" and "Lindy Lou."

Arlie Cassle was given the privilege of introducing Congressman Burleson. The guest speaker had only began his well-prepared speech when the ladies in the audience hollering in unison, "We want Ruth" (Mrs. Burleson). Mr. Burleson, being a Lion, knew it was useless to attempt to continue and very graciously yielded his place behind the speaker's table to Mrs. Burleson, who had a very interesting speech already prepared, having been given due warning of what to expect. She chose for her subject "Impressions of Washington." She gave a very vivid description of the social life there and the struggle to make a place for herself and the congressman. She closed with picturing the natural beauty around the capitol city and a tribute to America, and how much it should mean to us to be Americans.

Congressman Burleson was finally given an opportunity to talk and he spoke briefly concerning the many problems facing America today, touching more thoroughly on the question of "Feeding the Other Countries." He feels that it is our duty to help them and is hoping for a solution to the problem that will enable our aid without further hiking the cost of living in America. He closed with reminding the group of the great heritage we have as Americans.

For the occasion, the Russell home was beautifully decorated with fall flowers. Colorful balloons were used in the patio and reception rooms. Greenery added to the setting in the patio, where the entire program was held. Mr. and Mrs. Jack Russell were in charge of the record player, furnishing music preceding the program.

Mrs. Cleo Barnett returned home Friday after spending a week in Kermit with her husband.

A large map of Texas with red lines showing the main-traveled roads of the state, is part of the Texas Roads Association's exhibit at the Dallas Fair. A picture of the map is shown here. Thickness of the lines indicates heaviness of traffic. The Houston-Galveston road and the Fort Worth-Dallas road carry more vehicles than any other highways in the state.

Markets Unsettled On Many Products; Show Moderate to Sharp Declines, Too

Farm commodities moved to generally unsettled markets last week, with moderate to sharp declines of many products according to a report received by The Herald from the Production and Marketing Administration, United States Department of Agriculture.

Wheat rallied at southwest markets for gains of around 12 cents per bushel but corn sank steadily. White corn losses totaled about 35 cents, to close Friday at \$2.50 for No. 2, while yellow dropped 15 to 20 cents to sell at \$2.35 at Fort Worth and Galveston. Oats, barley and sorghum grains netted little changes.

Grain product feeds declined, but others sold unchanged to higher. Hay prices advanced \$2 per ton. Peanuts moved at government support prices. Texas fine wools sold actively at 42 to 52 cents per grease pound.

Spot cotton prices declined from \$4 to \$6 per bale during the week and there was a further weakening of the basis. Demand was good for Army Purchase qualities but only fair for domestic purchases. Harvesting made rapid progress.

Cattle closed the week generally 50 cents to \$1 or more lower. Calves felt the heaviest pressure. Good calves sold at \$17.50 to \$19.50; at Houston, and choice heavy calves moved at \$21 to \$23 at Oklahoma City. Good and choice calves turned late in the week at mostly \$17 to \$19 at San Antonio, \$16.50 to \$19 at Fort Worth and \$16 to \$18 at Wichita. Denver's practical top was \$21.50 for calves and weaners.

Hogs suffered losses of mainly 25 cents to \$1 for the week, and pigs fell as much as \$2 at some markets. San Antonio closed the week at a top of \$27.50, Fort Worth and Oklahoma City at \$28. Wichita at \$27.75, and Denver at \$28.75. Sows brought \$24 to \$25.50 at Fort Worth and at Oklahoma City.

Cotton Pulling In Community In Full Swing

Cotton pulling is fast getting into full swing in this community judging from the amount being ginned locally and at Neinda. "Pullers" are still unsufficient but if it does not rain soon it is believed the crops will be gathered by the help obtainable. Neinda Gin had ginned over 900 bales this season up until Tuesday morning according to H. W. Madden, manager of the Neinda Farmer's Coop Gin.

Producers Gin had ginned 500 bales according to report given The Herald Wednesday morning. Farmer's Coop Gin reported a total of 641 bales ginned this fall so far early Wednesday.

Cotton is turning out much better than first predicted, but the crop will be short due to lack of rain at the proper time.

Brad Rowland Gets Touchdown in First College Tie

Brad Rowland, star athlete at Hamlin High School the past several years, racked up a touchdown in his first collegiate football game Saturday night. Rowland's score came in the third quarter of the McMurry College Indians vs the University of Houston Cougars game. He set the play up by taking a lateral and racing 46 yards to the 10 yard stripe. Two plays later he went over for the score. The Indians were defeated 14-13. News accounts said, Rowland, freshman from Hamlin, stood out throughout the game, offensively and defensively.

Les Cowan, also of Hamlin and an Indian letterman, set up the first touchdown for the tribe on the Cougar 23-yard line. Rowland and Smith altered, with Smith making the teedee.

Hamlin is rightfully proud of the two ex-Pipers playing for the Indians as well as the two playing for H-SU Cowboys of Abilene.

District President Addresses P-TA Meeting Thursday

About 150 parents and teachers met in the lunch room of the Elementary School last Thursday night to hear district president, Mrs. E. M. Pittman of Anson talk on "The More We Get Together."

"You can be in a crowd and still not be of a crowd," Mrs. Pittman stated in her address. "We must get together in motive, purpose and spirit and develop fellowship and community spirit in our schools. Make it true 'the more we get together the happier we will be.'"

Mrs. Pittman was introduced by the program chairman, Mrs. Eddie Jay.

Mrs. O. D. Roland, local president, mentioned the four point program: 1.—School education, 2.—Health, 3.—World understanding and 4.—Parent and family life education.

Superintendent I. R. Huchingson introduced the faculty and showed the short film, "Tips for Teachers." Hospitality committee composed of Mrs. Gordon R. Bennett, Mrs. Fred Smith, Mrs. Clyde Angel and Mrs. L. B. Maberry, who served cookies. Mrs. I. R. Huchingson ladled punch.

Following refreshments, the new buildings were open for inspection by the parents.

First regular meeting of the Elementary P-TA was set for this Thursday afternoon at 3:45 p. m.

Mr. and Mrs. Bonnie Smith are on a vacation trip to points in Louisiana. They left Sunday night.

Building Work In City's Projects Making Progress

New construction work started this week includes the remodeling of property recently purchased by Charles and Harry Gardner from Sam Wilcox for occupancy by Garland Coltharp who plans to open a grocery store there on Saturday, October 11. Coltharp formerly operated the store now owned by Morris Books. He expects to operate a modern cash and carry store, featuring plenty of drive-in space. Wilcox moved to a new building which he recently purchased, south of Irwin Motor Company.

Workmen have nearly completed one unit of the new Carmichael Building, which will be occupied by Style Cleaners. John Howell, who has this week bought the interest of his partner, Joe Nelson, hopes to move within a week, from his former location, two blocks west of the F. & M. Bank. Other units are rapidly nearing completion.

Only a few finishing touches are needed to finally complete the modernistic appearing Dillingham building which will house the Banner Ice Plant, City Hall, The Style Mart (expected to open soon) and also has two apartments upstairs.

Other projects making a good showing includes the new buildings for Dr. Q. Don Gould's Clinic, the Wade Implement Company and remodeling work for the Carl Murrell Chevrolet Building.

Several other building projects are also said to be in the making, but no plans are ready for release.

Nazarene Church Evening Service Time Changed

Beginning next Sunday, October 5, the evening preaching service at the Church of the Nazarene will start at 7:30 o'clock p. m., Rev. J. T. Crawford, has announced.

Junior and young people's meeting will begin at 6:45 o'clock p. m.

Sunday School gets underway at 9:45 o'clock a. m. and the morning preaching service at 11:00 o'clock a. m. Rev. Crawford will speak on the subject "The Grace of Generosity" in the morning and Sunday night he has chosen to preach on "God's Call to Man."

The girl's trio, composed of Mrs. I. Ojeda Wallace and Misses Inez La Baume and Marvina White, will render a special number at the morning worship service. In the evening, Miss Odean Murphree will sing a solo.

You are cordially invited to attend any or all of these services.

A. G. Daniels left for his home in Houston Wednesday morning after spending several days here in the home of his sister, Mrs. W. L. Meeks and mother, Mrs. S. B. Leslie. Mrs. Leslie has been quite ill but is much improved now.

Badgers Thump Pipers 39-0 Here Friday Night

Merkel's Power Overwhelms Light Scrappy Hamlin 11

Owens and Boyd Shine for Locals

Merkel's veteran Badgers turned loose lots of power at Piper Stadium Friday night to overwhelm the less experienced and lighter Pipers of Hamlin, 39 to 0. The debacle could probably have been worse had Coach Carrol Benson of the Taylor County team chosen to keep his first team on the job all the time—a fact that is certainly no discredit to the charges of Coaches L. B. Howard and Joe King.

Blocking and tackling of the Pipers has plenty of room for improvement but fans expecting a slam-bang performance from the predominately local Piper squad were surprised. The Badgers' starting line-up averaged 277 pounds per man, and most of them were returning lettermen. Only four lettermen returned to Hamlin High School this fall—something that even much larger schools wouldn't expect to overcome in three weeks of workouts.

Jack Owens and R. A. Boyd were standouts offensively for the Pipers while Walker and Land weren't near the "big guns" they had been pictured to local fans.

In spite of the trouncing they took on the scoreboard, the Pipers battled the heavier foe unflinchingly and made several nice gains through the vaulted Merkel forward wall.

Score Late In First. Merkel took the opening kickoff on the 20, Dudley returning to the 30 where he was hauled down by Black, McLean was thrown for a loss back to the 27 by Elder. Merkel

Mighty Mice Play 8-Game Schedule Against 4 Teams

Continuing the effort to assure the Hamlin High School of a steady future supply of football players, plans for the elementary football program were released this week by Principal Marvin Carlston.

First game was played with Roby last Thursday night, the Mice winning 27-0.

An eight-game schedule has been set up between five schools, including Hamlin, Stamford, Anson, Roby and Merkel. Assistant Coach Joe King is tutoring the Mighty Mice, assisted by Truett Black, both of the ward school faculty.

A squad of 56 boys from the sixth, seventh and eighth grade is working out under King and 22 boys from the fifth grade are under Black's direction. Games will be played between the two groups and of the total of 78 boys, good grid talent should be developed.

The Mighty Mice schedule for 1947 follows:

- October 2—Merkel here.
- October 9—Stamford here.
- October 16—Anson here.
- October 23—Stamford there.
- November 6—Anson there.
- November 13—Merkel there.
- November 20—Roby here.

All games will be played on Thursday nights starting at 7:30 o'clock p. m.

Famous Hereford Added to Y-6 Ranch Friday

A valuable addition was made to Mrs. Fay Young Morton's Y-6 Ranch last Friday when she purchased Plus Blanchard 1st in the dispersion of the herd of Herefords belonging to the late Jamie Brook at Brady. Mrs. Morton paid \$4,000 for the five-year old herd sire that was a winner at all of the major livestock shows. The bull is of the same breeding as Plus Blanchard 10th, the one which made such a record in a brief time for H. A. Mosley of Medina.

Mr. and Mrs. Donald B. Bryant visited Mr. and Mrs. Bill Shank in Abilene Sunday afternoon.

STAY WITH 'EM, WIN OR LOSE!

Observers in the press box (some of them out of town) remarked about the thoughtlessness (let's hope it wasn't poor sportsmanship) of Hamlin fans who began leaving the stadium before the end of the third quarter. Football fans who want "crackerjack" Piper teams in the future should stay with the club now. They need your support more than ever if they were potential regional champs. Win, lose or draw—stay behind 'em—if that's the kind of football you want Hamlin to feature in future years!

kelt punted out to the Hamlin 37 and from there Boyd ramed on through for eight yards and picked up three more for a first down on their own 48. Boyd and Owens toted the pigskin downfield to the Merkel 35 and then the Merkel bench exploded as 11 big huskys (their first team) ran out on the field to halt the Hamlin push. Merkel took over on the 36, drove through to the 40. In an exchange of punts, a 47 hard boot backed up the Badgers on their own 25 and from that point the Badgers marched to the four yard stripe with Teaff going over for the touchdown. Land added the extra point to put them in front 7-0, leaving only time for the kickoff to end the first stanza.

Hamlin's backfield was in motion first two plays of the second quarter, five-yard penalties setting them back on their 20 yard stripe, and from there Owens uncorked a 16-yard run to the 35. After being held for downs, the Pipers made the ball dying on the Merkel 10. "Big Gun" Walker of Merkel bled and a Hamlin had a two plays later the situation of a half yard pass, Walker to Land. Merkel 11 to the Piper.

plays carried them to the two-yard stripe and Hamlin covered a costly Merkel fumble behind the double line and the ball was carried out to the 20. From there Walker broke loose and went over the goal line for his only teedee of the evening and Land again converted. Hamlin took the kickoff and after three smashes at the Badgers the ball went over to Merkel. With seconds to play, Walker hurled a 40-yard pass to Land who stepped over the goal line for another score as the half ended. Try for conversion failed and Merkel was out in front at half-time.

Teaff Scores Again.

Merkel kicked off to open the second half, Owens receiving on the 15, going upfield to the 30 where he was hauled down. He passed to Black, good for five yards and picked up 14 on the ground for a first down on the middle stripe. Boyd picked up four yards and tallied another first on a pass. A thrust through the 15 yards put the Pipers on the 20—their only penetration—and an attempted pass was intercepted by Walker who was immediately nailed in his tracks on his own four-yard stripe. Four plays and 96 yards later Merkel had another teedee. Two plays netted seven yards, a 40-yard pass, Walker to Land put the hoghide on the Hamlin 38 and from there Teaff scampered to the promised land. Walker kicked goal for the extra point.

In the fourth quarter McCoy, a reserve back scored after receiving a 33-yard pass and stepping off five more to cross the goal line. Hamlin took the kickoff and after several cracks at the line pitched a pass that was intercepted by Reynolds who raced to the one before being dropped. From there Dudley skirted right end for the evening's final score. As the game ended the Pipers were still battling and a penalty against Merkel, plus a 15-yard loss threw the visitors back on their own 11 where the game ended.

Statistics for the night's game follow:

	Hamlin	Merkel
First Downs	9	15
Punts	6	2
Punting Av.	27.9	35.7
Yd. G. Passin'	19	123
Incomplete P.	8	3
Interceptions	4	1
Yr. from Scr.	142	289
Yd. Lost Scr.	20	29
Yd. Penalized	10	20
Net Yds. Gain	131	240

Tween Me and my Typewriter

by Jeanette Bryant

Did you see what a beautiful performance Hamlin Pep Squad put on at the Merkel-Hamlin football game Friday night? Those girls really looked "classy" and almost collegiate. Frances Ubben is doing a splendid piece of work with that group of attractive teen-agers, who work long and faithfully in training for such activities. Joan French, Juanice Young and Joan Johnson are excellent leaders. Little Miss

Pam Robertson plays her part as mascot very graciously for a four-year-old. Altogether, they make up a squad that should make Hamlin fans swell with pride.

A suggestion has been made to the effect that property owners with vacant lots in need of a clean-up allow the city to supervise such a campaign and add the cost of the work to the taxes. Not a bad idea! Don't think anyone would argue the point that there are plenty of such lots in our city which detract from the beauty of our residential sections. We repeat that they are a fire hazard as well as an "eyesore." If you like this plan, start talking it.

Roger W. Babson says, "Small town folk are the luckiest people in America." Come to think about it, guess he is right. He adds, "Life

COTTON QUIZ

HOW MANY EGGS CAN A BOLL WEEVIL LAY?

ANS—A FEMALE BOLL WEEVIL HAS BEEN KNOWN TO LAY AS MANY AS 440 EGGS DURING A SINGLE SEASON

never can be so lonely as in a great city swarming with strangers. Seems odd, but the loneliest time in our lives was in a large metropolis crisscrossed full of people, who didn't give a "hoot" about whether we lived or died. Babson says, "In the years to come, cityward migration will play out and dry up. The out-bound, county-ward movement will rise to a mighty tide." We have something to look forward to in the future years. Hamlin is growing but not fast enough to lose that friendly, homely attitude that God intended for us to cling to.

Small town gossip! That is one feature Hamlin or any other little town could do without successfully. We can stop such foolish past-times, by refusing to repeat any degrading information concerning any person. Most of us are guilty, we need not deny it. We broadcast our "little-ness" in such practices. The harm is more to ourselves than the other person. Let's resolve to keep our big mouths shut if we have nothing good to say about the person being discussed. You'll discover how difficult it is to break yourself of such a injurious habit.

October 6 through 11 has been proclaimed as Fire Prevention Week by Governor Jester. We should remember to tell Fire Chief Carl Young and his staff of volunteer firemen just how much we appreciate their capable handling of fire fighting.

Hamlin was given a 10 per cent credit by the Texas Fire Insurance Commission, effective last March. We can be assured that Chief Young and his fellow workers are mostly responsible for this cut in insurance rate.

whether a telegrapher or a man on the rewrite desk of a newspaper, nor when nor where he first did it—observing that X was the Roman numeral for 10 and the XXX added.

up to 30, decided to "be different." So, instead of putting the three X's at the end of a story, he put "30." Others followed his example and before long "30" was a generally-recognized bit of newspaper talk and meaning "The End"—of a news story, of the day's work or of a newspaperman's life.

There you have it!

A popular subject of discussion remains to be the new length of women's skirts, but as far as we can determine little is being done about it. Weaklings, as we women have always been termed by the so-called stronger sex, seem to be falling for the longer fashions rapidly. Variety in lengths seem to be prevalent, with most of us wearing our last year's and year before frocks for second best and the treasured new one on Sunday. Variety is the spice of life.

Now we are looking forward to the new "draped" fashions with the shorter trousers for men. They vow they will not submit to such nonsense. Time will tell who is the stronger sex.

"The" daughter was arguing with her grandmother about the identity of a certain character in a movie they had seen. Her grandmother contended that he was the husband of the heroine, but the youngster insisted he was the sweetheart and she settled the question satisfactorily by stating, "I am sure of it, because he called her darling all the time." Catching on young, isn't she?

Franklin Roosevelt once remarked "If you treat people right, they will treat you right—90 per cent of the time."

And we suppose you can have lots of worthwhile experiences discovering who the other 10 per cent are.

Senior Class to Hold Open House Friday Night

Seniors of Hamlin High School will have open house Friday night at the Toler cabin following the Spur-Hamlin football game. All seniors are invited to be present.

A social committee, composed of George Bingham, Bill Bellah, Jeanette Bevels and Suzanne Toler, has been appointed.

This class has elected officers for the annual, soon to be published. They are: Bill Bellah, editor; Suzanne Toler, assistant editor; Sue Jones, business manager; Jack Williamson, assistant business manager; Wanda Mayfield, society editor; Nozick Hassen, photography; Sarah Steele, class editor and Jack Owens, sports editor.

Plans for the Halloween carnival to be held November 1 will be made later, but the seniors chose Wanda Mayfield to be their queen; Weldon Townsend, the escort and Suzanne Toler and Jerita Durham, ladies-in-waiting.

A list of class officers is published in another story in this issue of The Herald.

Mrs. E. F. Fairley slipped and fell in her home last Thursday and injured her hip. She is now in bed, but still unable to walk.

Mr. and Mrs. Bill Harbert of Sulphur visited her parents, Dr. and Mrs. J. W. McCrary, during the week-end.

GAS HAS GOT IT!

YOU NO LONGER GET A "LIGHT" BILL

IT'S A SERVICE BILL TODAY!

The old-fashioned "light" bill, like the surrey with the fringe on top, is a thing of the past. Electricity for lighting is only one of many items represented by your electric service bill. Today, in most homes, you're likely to find two or more electric appliances in every room—many homes have a score or more. That's why your electric service bill can no more rightly be called a "light" bill than a "refrigerator" bill.

The cost of a kilowatt hour of service to residential users has decreased one-third in the last 14 years.

High School Classes Elect Officers Monday

Classes of Hamlin High School met Monday for election of officers, according to Superintendent I. R. Huchingson.

Members of the senior class selected for their president, Jimmy Kidd, vice-president, Alton Kite; secretary, Lela Bringham; reporter, Frankie McCord; queen, Wanda Mayfield; escort, Weldon Townsend; ladies-in-waiting, Suzanne Toler, Jerita Durham and sponsors, Mrs. Mary Farrow, Mrs. Holly Toler and H. L. Williams.

Donald Young was chosen by the junior class as class president. Other officers are: Clifton Townsend, vice-president; Junanice Young, sec-

retary; Betty June Taylor, reporter; Peggy Terrell, queen; Seth Adams, escort; Janet Bonner and Juanice Young, ladies-in-waiting and Mrs. James Simmons, Miss Frances Ubben and L. B. Howard, sponsors. To lead the sophomore class, Raymond Selfres was elected president; Tommy Latham, vice-president; Lavon Stewart, secretary; Jerry Briscoe, reporter; Lavon Stewart, queen; Tommy Latham, escort; Patsy Parker, Mary Jo Hendricks, ladies-in-waiting and Mrs. Tate May and Mrs. C. E. Ball, sponsors.

Donald Green was selected to head the freshman class with Donald Rowland, vice-president; Oleta Kite, secretary; Frankie Sue Madden, reporter; Oleta Kite, queen; Billy Gabriel, escort; Frankie Sue Madden and Frieda Tollison, ladies-in-waiting and Mrs. J. C. Hodges and T. C. Blankinship, sponsors.

Mr. and Mrs. Parker May and Judy left Tuesday for their home in McLean, Virginia after a visit here with his parents, Mr. and Mrs. M. P. May, and other relatives and friends.

Mr. and Mrs. Lesley Shelburne and children spent the week-end at Rankin with his parents, Mr. and Mrs. T. E. Shelburne.

Framework is up for the new house being erected on Houston Street for Mr. and Mrs. Delma Shelburne. It is to be a frame building with asbestos siding.

Final Rites for Mrs. Annie Huling Conducted Sunday

Mrs. Annie Matilda Huling died at her home on Jackson Avenue Saturday night at 9:45 p. m. after a lingering illness. She was 77 years 11 months and nine days old.

Mrs. Huling was before her marriage Annie Matilda Kennedy. She was born November 6, 1869. At an early age, she was converted and joined the Missionary Baptist church to William Andrew Huling on September 18, 1889 at Dalton. To this union were born seven children, one of whom died in infancy. The surviving children are three sons, Hamlin; and three daughters, Mrs. Van, Oddis and Ray Huling, all of Hamlin and three daughters, Mrs. Parnia Rush and Mrs. Lenyce Phillips both of Stamford and Mrs. Lora Smith of Robiline, Louisiana. The 17 grandchildren and 21 great grandchildren also survive.

One sister, Miss Nan Kennedy of Naples, survives and three brothers, John of Haynesville, Louisiana, R. W. of Paris and Ed of Naples and one sister-in-law, Mrs. Sam Kennedy of Naples.

Huling family moved to Jones County October 5, 1905, and settled near the Abbie Store, now the Fairview Church location. In 1921, they moved to Hamlin and remained until 1926, when they moved to Corpus Christi for Mr. Huling's health. He died there May 12, 1945. Since that time, Mrs. Huling has made her home here with her son, Oddis, occupying a residence in the same block as her chosen Baptist Church, in which she was active in supporting as long as her health would permit. She was devoted to her family and lived a consecrated Christian life in all her walks.

Funeral services were conducted at the First Baptist Church Sunday afternoon at 4:00 o'clock p. m. with the pastor, Rev. John H. Osteen, officiating. Pallbearers were four grandsons, H. M. Phillips, Joe Vasek, Paul Griffin and Aaron Mallonee and Earl Ray and Elmer Joiner. Interment was in the Fairview Cemetery with Barrow Funeral Home in charge of arrangements.

California Creek Conservation Board Has Monthly Meet

California Creek Soil Conservation District Board of Supervisors held their regular monthly meeting last week. Members of the board were John R. Watson Sr., C. E. Lantrip and E. W. Carlson. James F. Donny Jr., district conservationist with the Soil Conservation Service, was also present.

Among other business attended to, a large number of applications for assistance were approved by the board. Farmers whose applications were approved were: Mrs. S. L. Brown, Will Stegemoecker, J. E. Abernathy, J. C. Fielder, Lee Estate, J. C. Laine, Joe Ford, Mrs. Rita Peters, T. A. Jean, A. J. McKeever, J. T. Smith and Mrs. C. E. Bunkley.

Soil Conservation District agreements were also approved for the following cooperators: John E. Walton, Louis Scott, Fred Buerger, Tom O. Brown, T. A. Jean Jr., J. Ubben, Arza Brown, Woodrow

Smith, W. J. Glenn and Charles Vasek.

W. R. Redus, of the Southeast Swedonia Soil Conservation Group located north of McCaulley in Fisher County, planted a small seed plot of Yellow Bluestem grass last week. Redus plans to retire a large portion of the crop land on his home place from cultivation by seeding it to perennial grasses. Other grasses will be planted this week consisting of Weeping Love grass, Sand Love grass, Lehmann Love grass, Blue Panic grass and Blue Grama grass.

Mrs. P. D. Funderburk plans to leave Friday for Harper to be at the bedside of her father, V. V. Copple, who is seriously ill with a heart ailment.

Mr. and Mrs. Lott Shell and children, Lewis and Pricilla spent the week-end in Georgetown with his parents, Mr. and Mrs. Lott Shell Sr.

• The Texas Butane Dealers Association Urges You —

"For
WINTER Insurance—
BUY BUTANE OR PROPANE Now!"

The Texas Butane Dealers Association urges every domestic user of butane and propane to take stock of the capacity of your tank. If it cannot serve you through four winter months without refilling, you may find yourself without gas in the coldest season of the year.

During the war many new industries were developed. These industries—plastics, synthetic rubber, chemicals, etc.—use tremendous amounts of butane or propane the year round. On the other hand, domestic users burn four to seven times more gas in winter than in summer—but your dealer will be able to furnish you very little more in winter than in other seasons. On a year-round basis, there's enough butane or propane for everyone. But to lighten this winter overload, the Texas Butane Dealers Association urges users to tank ahead with a four-month's

winter supply while delivery is certain.

Just as farmers store their summer grain, or housewives can their summer fruit, heating gas users are asked to stock up when the supply is plentiful. It's "Winter-Insurance" for you: your cold-weather supply will be in your tank when you need it most. And by taking less time for your dealer's services, he can supply you and your neighbors more efficiently and economically during those critical months when roads are worst for delivery.

If you are not sure, The Texas Butane Dealers Association urges you to drop in and see your local gas dealer as soon as possible. He is your friend. He knows butane-propane, and he will do everything possible to help you get ready for winter now. Before you buy any system, see your gas dealer first!

SOCIETY

Homemakers Have Meeting Monday At High School

Members of the Hamlin chapter of the Future Homemakers of America met at 7:30 o'clock p. m. Monday evening in the homemaking department of the high school. There 25 members were initiated by the president, Ann Agnew.

A short business session was held and LaDell Butler was elected vice president. Mrs. Jimmy Simmons gave a talk on the history of FHA and Ann Agnew reported on the State F. H. A. camp, which she attended in August.

Punch and cookies were served by a committee composed of Pricilla Harwell, Margie Hallmark and La Dell Butler.

Methodist Choir Officers Elected Sunday Evening

Officers for the next year were elected by the choir of the First Methodist Church Sunday evening upon recommendations by the nominating committee.

Mrs. L. H. McBride was named as president; Dr. Joe McCrary, vice-president; Mrs. Edd Bailey, secretary-treasurer; Mrs. Willard Maberry, director; Mrs. Bill Rountree, accompanist; Mrs. Brad Rowland, assistant accompanist and Mrs. Gordon R. Bennett, custodian of music.

Verlene Stewart Becomes Bride of Jerry Waggoner

Verlene Stewart, daughter of Mr. and Mrs. Vernon Stewart became the bride of Jerry Frank Waggoner Wednesday morning at 7:30 a. m. in the home of the bridegroom's parents, Mr. and Mrs. Frank Waggoner. Dr. Will C. House, pastor of the First Methodist Church, officiated at the single ring ceremony.

Only members of the immediate families of the bride and bridegroom were present.

White gladioli and chrysanthemums were used to decorate the Waggoner home.

The bride was attractive in a winter blue suit with black accessories, her corsage was of white gladioli.

Mr. and Mrs. Waggoner left immediately following the ceremony for Denver, Colorado, where both will attend school.

Both are graduates of Hamlin High School. Mrs. Waggoner was queen of the high school in her senior year, 1947. Mr. Waggoner attended McMurry College in Abilene.

The couple will make their home in Hamlin after finishing school.

Rev. J. T. Crawford was in Sweetwater Thursday for a meeting with the district board of the Churches of the Nazarene to make plans for the annual meeting.

Wedding Cake Being Cut

Mr. and Mrs. W. T. JOHNSON

Pictured above are Mr. and Mrs. W. T. Johnson cutting the wedding cake at the reception held in the home of her parents.

Mr. and Mrs. Herman McBride, following the nuptials Wednesday, September 17. The bride is the former Anna Margaret McBride.

Literary Club Begins Year's Work To-day

Hamlin Literary Club will open the season with a covered dish luncheon Friday, October 3 with Mrs. Bowen Pope as hostess and Mrs. W. L. Boyd Jr. as director. The meeting will be honoring the president, Mrs. Tarlton Willingham.

Committees planning the opening committee: Mrs. Pope, Mrs. Ernest Jenkins and Mrs. Art Carmichael and the menu committee: Mrs. R. D. Moore, Mrs. O. D. Roland and Mrs. Fred B. Moore Jr.

Mrs. Willingham will address the club and Mrs. Jim Howard King will give the response.

This club was organized in 1908 and federated in 1910. The course of study will be book reviews, magazines and periodicals. "No profit grows where is no pleasure ta'en" is the club motto. White and gold are the colors and rose the chosen flower. Regular meetings are held twice monthly from October to the first of May.

New officers are Mrs. Willingham, president; Mrs. Jim H. King, first vice-president; Mrs. W. L. Boyd Jr., second vice-president; Mrs. Thomas Ferguson, recording secretary; Mrs. Clyde Angel, corresponding secretary; Mrs. R. D. Moore, treasurer; Mrs. O. D. Roland, parliamentarian; Mrs. James E. Simmons, critic; Mrs. Henry Albritton, musician; Mrs. E. J. Whaley, reporter and Mrs. H. O. Cassle, librarian.

Mrs. Jack Owens, Mrs. Jude Smith were in Abilene Thursday.

Mrs. W. T. Johnson Honored With Gift At Mrs. Maberry's

Mrs. W. T. Johnson, formerly Anna Margaret McBride, was honored with a gift tea Friday afternoon from 4:30 to 7:00 p. m. in the home of Mrs. Willard Maberry. The co-hostesses for the occasion were: Mmes. Bill Rountree, Gordon R. Bennett, Clinton Barrow, Buren Carlton and Joe Culbertson.

Reception rooms were beautifully decorated with arrangements of fall flowers, while the dining room decorations displayed the bride's chosen colors of blue and white. The table was laid with a hand crocheted cloth. The crystal punch bowl on a large reflector was encircled with plumosa fern, white asters and gladioli. A floral centerpiece of white asters and blue plumbago was arranged in a spreading crystal and silver bowl, in the center of which stood a miniature bride and groom under a white flower-trimmed arch. This arrangement was flanked by four white tapers in crystal candelabra. White cake squares decorated with tiny blue flowers and blue and white mints were served with the punch. The tea napkins were bordered in silver and a little bride etched in silver and blue enhanced one corner. Under this were stenciled in silver the names of the bride and groom.

Guests were greeted at the door by Mrs. Joe Culbertson, who presented each to Mrs. Maberry, who presented the honoree, Mrs. W. T. Johnson, her mother, Mrs. L. H. McBride; the groom's grandmother, Mrs. J. H. Windle; and the mother of the groom, Mrs. Robert Johnson.

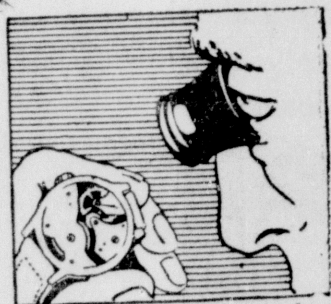

Mrs. Ray Johnson, sister-in-law of the groom, invited guests into the dining room, where Mrs. Gordon Bennett served punch. She was assisted by Mrs. Bill Rountree, Mrs. Clinton Barrow and Mrs. Edd Bailey.

Diane Carlton of Abilene presided at the bride's book, where approximately 100 guests registered. Gifts were shown by Mrs. A. A. Hackley and Mrs. Ed Branscum, sister of the groom. Piano music was rendered throughout the appointed hours by Mrs. W. C. Russell and by Mrs. Bill Rountree.

Goodbyes were said by Mrs. Buren Carlton.

Mr. and Mrs. Clyde Huff are spending several days in Dallas this week.

Luncheon Will Begin Garden Club Year Friday

Friday, October 10, will be the opening date of the year's work for the Hamlin Garden Club. A covered dish luncheon will be held with Mrs. Loy Fry as hostess and Mrs. A. A. Hackley as leader.

"Summer Garden Observations" will be the topic for a round table discussion. Year books will be presented.

Officers are Mrs. H. O. Cassle, as president; Mrs. Dick Maberry, first vice-president; Mrs. C. G. Green, second vice-president; Mrs. M. T. Hudson, recording secretary; Mrs. A. A. Hackley, corresponding secretary; Mrs. R. D. Moore, treasurer; Mrs. Carl Young, reporter; Mrs. J. W. McCrary, parliamentarian and Mrs. W. A. Albritton, historian.

Hamlin Garden Club was organized and federated in 1940. Regular meeting dates are the second Fridays of each month, October on through June.

Mrs. Sadler Funderburk and Mrs. Laura Harkey of San Saba are visiting their sister, Mrs. W. J. Johnson and niece, Miss Viola Johnson.

Alathean Class Installs Officers Tuesday Evening

Members of the Alathean Class of the First Baptist Church met in the home of their teacher, Mrs. R. A. Crockett, Tuesday evening for installation service for the new officers.

Mrs. Crockett was installing officer. In a very impressive ceremony, the following officers were installed: Mrs. John R. Howell, as president; Mrs. Kelly Scott, membership vice-president; Mrs. Weldon Carter, fellowship vice president; Mrs. P. D. Harkins, class ministries vice-president; Mrs. J. D. Miller, as stewardship vice-president; Mrs. B. W. Neidecken, secretary-treasurer; Mrs. O. G. Harvey, reporter and Mrs. E. B. Watson, Mrs. Roy Brown and Mrs. Ernest Lee, group captains.

During the social hour, several interesting games were enjoyed and refreshments were served.

Those attending were Mmes. P. D. Harkins, E. B. Watson, B. W. Neidecken, Vera Davis, J. D. Miller, Mayne Deel, Ray Kidwell, Kelly Scott, Weldon Carter, John R. Howell, Ernest Lee and the hostess.

Mrs. Clyde Angel Is Party Honoree

Mrs. Clyde Angel was honored with two surprise birthday parties Friday.

At noon, Mrs. J. W. Ezell, Mrs. Laura Woods and Mrs. M. P. May were hostesses at a surprise luncheon in the May home.

Friday evening, Mrs. Frank Johnson entertained with a dinner party for Mrs. Angel at the Johnson home in Rotan.

Only members of the family were present for both celebrations. Out-of-town persons attending were: Mr. and Mrs. M. P. May Jr. of McLean, Virginia.

Charlotte Wallace Celebrates Eighth Birthday Tuesday

Mrs. W. Wallace entertained with a party Tuesday afternoon from 4:00 until 5:30 o'clock p. m. honoring her daughter, Charlotte, on her eighth birthday anniversary.

Many nice gifts were presented to Charlotte by her little friends. The games were played and refreshments of candy, cookies, chewing gum and punch were served.

Those present were: Linda and Eva Wallace, Betty Sue and Mary Lou Amerson, Charlene Smith, Patricia Norris, Charlotte Carson, Judy Brandon, Judy Harden, Betty Jean Teague, Patsy Davis, Cadella Stone, Mary Ann Wilbanks, Mary Beth Bryant, June Wilkins, LuRea Vaughan, Dwight Wallace, Jerry Fred Jay, Larry Scott, Don Eddie Adair, Charles Nall, George Huling, Joe Donald Cowan, Mickey Brandon, Stanley Wilkins and the honoree.

King's Daughters Class Has Social Tuesday Evening

King's Daughters Class of the First Methodist Church were entertained with a supper at the lake cabin of Mrs. I. R. Witt Tuesday evening with Mes. Mary Farrow, A. A. Hackley and Clinton as the co-hostesses.

Mrs. Witt expressed appreciation of the retiring officers for the co-operation given by the members during the past year.

New officers introduced were: Mrs. D. L. Park, president; Mrs. A. McWilliams, vice-president; Mrs. P. H. Wick, secretary-treasurer; Mrs. Mary Farrow, teacher; Mrs. A. B. Carlton, assistant teacher; Mrs. Willard Maberry, accompanist; Mrs. A. A. Hackley, assistant accompanist; Mrs. Fred Carpenter, song leader and Mrs. Clinton Barrow, reporter.

FARM FACTS WORTH KNOWING

Question—At what age should calves be vaccinated for the control of Bang's disease?

Answer—It is recommended that the calves be inoculated between the age of four and six months.

Question—what is the best time of the year for culling sows? And what should be the basis for culling?

According to the Research Farm of a feed company in St. Louis the best time of year to make accounting with the sows is just after they have weaned their pigs. They have just finished a test of performances which offers the most practical basis for selection of future breeding stock. Discard those sows which:

- 1.—Raised less than eight large, uniform pigs to weaning time.
- 2.—Had difficulty at farrowing time.
- 3.—Were cross or nervous at farrowing time.
- 4.—Have less than 12 good teats.
- 5.—Produced small pigs.
- 6.—Were late or irregular in breeding.
- 7.—Were poor milkers or whose pigs failed to gain rapidly during the suckling period.
- 8.—Are off type or produced off type pigs.
- 9.—Transmitted heritable defects.

Question—Should just one wing or both wings of chickens be clipped?

Answer—Only one wing should be clipped to prevent chickens from flying. This means that one wing will be longer than the other and thus throw the chickens off balance when they attempt to fly. If both wings are clipped so that they are balanced, chickens can fly almost as well as ever.

With "Mae West" life preservers around them, Ruth Blount (left) and Marie Spurgin of the War Assets Administration office at Grand Prairie are all set for storm, shipwreck or a bargain seeking crowd going overboard for three million dollars worth of war surplus. The "Mae Wests" are a tiny part of the 1,000 lots of surplus materials which will be displayed to the public in the WAA's Grand Prairie war house for a big sale.

The motto of the State of Texas is "Friendship."

Producers Show Interest in Tests Of Bangs Disease

Here last week making a preliminary check on Bangs disease, a Texas Extension Service veterinarian reports Hamlin livestock owners are anxious to have milk cows tested for reaction to the malady.

Organization of a state advisory committee, in fact, to map plans for controlling Bangs disease in Texas livestock herds is nearing completion, reports H. C. Stanley Jr., county agent.

Appointments on the state committee have been made out of all livestock breed organizations, ranging from Jersey to Hereford cattle and milk goat associations.

In a report to The Herald, Dr. E. A. Grist, extension veterinarian at Texas A. & M. College, says several new ideas have already been set forth for consideration of the state advisory committee—one being a vaccination program for heifers without tests of adult members.

The proposed advocated by several in Jones and Fisher Counties would call for complete herd vaccination with special permission. Also up for discussion by the committee is a plan to include local practicing veterinarians in a Bangs disease control plan in Jones and every other county of Texas.

Guest Speaker.

Rev. John H. Osteen was speaker at the Youth Rally held at the First Baptist Church in Abilene Saturday evening.

The word "Texas" is derived from the Indian greeting "Tehias," which meant "Hello, Friend." Hence "friendly."

State Finances in Better Shape With Voiding of Big Bills

The State of Texas, Jones County's 23,378 citizens are advised, this week jingled \$1,857,491 in its general funds that it didn't expect to have three months ago.

This amount of revenue materialized when the 50th Legislature failed to write successful appropriations for such amount.

State Comptroller Sheppard reports August revenue of \$32,856,765 has boosted the fiscal year's income to \$377,549,123—more than \$72,000,000 ahead of the previous fiscal year which ended on August 31, 1946.

Sheppard cut off seven bills carrying appropriation of nearly \$5,000,000 from the legislature's final action, declaring insufficient funds in sight to meet the expenditures. The bills were later declared dead by Attorney General Price Daniel.

Early morning hours are the most critical time of day during an illness because all the activities of the body—including heat production—are lessened. Therefore shock, such as cold, may cause death.

According to geologists it is probable that the Ice Age may return, and much of the surface of North America will again, at some future date, be covered with great glacial ice sheets.

New Football Rules Hardly Noticed By Average Fan on Today's Sidelines

Football this fall will undergo a modicum of change, but the average Hamlin and Jones County football fan will scarcely notice it. About the only time the average fan will think something new has

been added will be on blocked tries or point after touchdown. This occurs so seldom he may not see such an incident at all this season. Under the change in the rules, the ball becomes dead when the kick for extra point is blocked or deflected. No man on the kicking team can run with the ball or pass it. Officials will whistle the ball dead as soon as it becomes apparent the kick has no chance to score.

Other changes will bring liberalization of the substitution rule where each team may send in a player while the ball is dead although time still is in, bars the so-called running shift, moves the ball in from the sidelines after out-of-bounds plays to one-third the width of the field—instead of 15 yards as in the past. This cuts the penalty on disqualification fouls from half the distance to the goal line to 15 yards—although the offending player will be removed, and makes penalties called on fouls committed while the ball is dead part of the succeeding play and not the preceding play.

The coach, under such liberalization, can really run his team on the field if he so desires because, by putting in a substitute after each play he can control every play.

In other words, Jones County football fans, the coach can send in his "specialist" to meet the occasion at hand—whether it be a kick, pass, field goal or to plug a leak in the defense.

There's really nothing, however, to get excited about. Football still will be the greatest spectacle of them all.

News Briefs From— Stonewall County

Aspermont Hornets bowed to the Roby Lions 6 to 0 in their first game of the season. . . Aspermont Roping team defeated the Rochester Club Saturday night, coming out in 74.5 seconds less time than the Rochester cowhands. . . A singing was held at Golden Pond Sunday afternoon. . . City Lake at Aspermont has recently been stocked with a large number of fish from the state hatchery at Dundee. . . Aspermont High School will have a lighted football field from now on, made possible by cooperation of citizens of the district and bank officials. First game under the lights will be on Friday night against Woodson. . . County Agent Chester Walker is making the plans for another Bangs Disease Test program if enough Stonewall County farmers are interested.

Mr. and Mrs. Roy Page Jr. of Abilene visited her parents, Mr. and Mrs. G. A. Daniel, Sunday. Truett Daniel, also of Abilene, was here during the week-end too.

Farm Loan Plans—

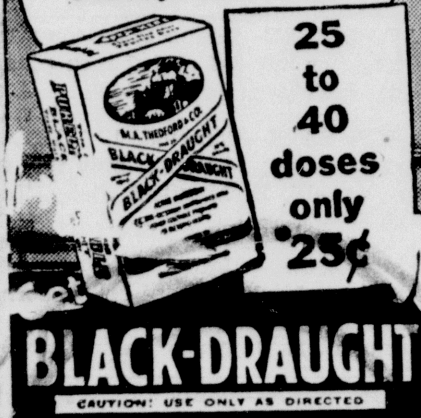

Long Term—4 per cent. Int. up to 40 years—"Tailored to fit" No appraisal fees—No loan fees—No commission—No title examination fees. The borrower gets the FULL amount of the loan at the low cost guaranteed interest rate of 4 per cent.

Need a LAXATIVE?

Black-Draught is
1—Really prompt
2—Usually thorough
3—Always economical

WHEN your digestive system does not function well, waste accumulates and gas is created . . . you feel depressed and irritable. If your distress is extreme or long-lasting consult your doctor. But often all you need is to stimulate sluggish intestinal muscles. And that's just what the new improved ADLERIK, the Tone-Up laxative, does. It relieves gas pressure and moves waste gently through the digestive canal. Because it is a scientific blend of effective ingredients it works quickly and pleasantly. Try ADLERIK today and learn why over 20,000,000 bottles have been sold. Caution: use only as directed.

Wings Over HAMLIN

Recent visitors to the Lone Star Aviation Airport include: J. M. Hall Sr. and J. M. Hall Jr., both of Dallas who flew to Hamlin on business, F. T. Hinson of Big Spring, who was making a cross-country trip in a Cub; Cal Lewis of Rotan, who is here quite often for gas and oil for his Cub; C. F. Morgan of Rotan for fuel for his Cub; Jess Fowler, instructor at Sweetwater in a twin-engine Cessna. Raymond Fowler of Midland was here in the BT-13 and manager-instructor J. R. Elliott flew several of his students in this plane while Mr. Fowler was in town. ***

New students at the local field include Fred Swenson, of Chicago, (whose father is construction engineer at Celotex), Dobbie Johnson, 240-pounder from Hamlin, Doyle and Morris Roseberry, cousins from Rotan and F. Simmons, Santa Fe employee here. ***

Latest soloist is Fred Swenson and it is reported that the Cub in which he made his solo really encountered an ordeal. Facts of the story were not released for publication.

Making solos in a PT-19 are "Pee-wee" Griffith, Travis Smith, J. W. Riddle, Dub Tidwell and Jess Kelley. ***

Fliers caught taxiing with their flaps down are required to buy drinks for the whole gang. ***

Felix Street is the only night soloist so far, making his debut at Sweetwater last week in a Cessna. ***

Ground school attendance is improving but should be much better. Navigation is still the subject of study and meteorology plus navigation will be taught beginning next week. ***

Stamford now boasts of a newly-organized club of young women who are interested in aviation, known as the West Texas Air-ettes. This is the first club of this kind in West Texas. They meet with the flying instructor and hear instructions in civil air regulations and descriptions and other things of interest to the members. Regular meetings are held every two weeks.

Hamlin Schools Vote On Legislative Plan

Hamlin is one of the 34 Class A schools in Region 2 of the University Interscholastic League being mailed ballots to secure nominations for a representative on the Legislative Advisory Council.

Hamlin and other schools in the region will select a successor to Superintendent E. M. Connell of Anson, whose term expired August 31.

Mr. and Mrs. B. J. Day of Dallas visited her mother, Mrs. W. B. Elkins and family Saturday night and Sunday.

Cardinal Baseball Tryout Camp Set At Seymour Park

Hamlin area baseball players and fans were informed this week that Fair Park Field, Seymour, will be the scene of a baseball tryout camp Friday and Saturday, October 10-11, which will be conducted by the St. Louis Cardinals. At the conclusion of the camp, the personnel will move on to Stephenville for another day camp. These camps, typical of more than 60 such camps already held by the Cardinals all over the country this summer, will be open free to all players who aspire to make their careers as a professional baseball player.

Try-outs at Seymour will begin at 1:00 p. m. Friday and 10:00 a. m. Saturday. Both workouts at Stephenville will get underway at 10:00 a. m. The camps will be under the supervision of C. A. (Runt) Marr and Fred Hawn, veteran Red Bird scouts and former minor league players and managers. They will put the aspirants through drills in running, fielding, hitting and throwing. There will also be regular games played between teams made up of players in attendance.

Every boy in the Hamlin vicinity who feels that he has what it takes to become a professional baseball player is invited to enroll for a tryout. Players should bring their own gloves and baseball shoes and uniforms if they have them, as the Cardinals do not supply this type of equipment for their trial camps. All expenses incident to attending the camp will be refunded to any player signing contracts.

Mr. and Mrs. DeFrance Burton and daughter, Martha Delane, of Denver City spent the week-end here with her parents, Mr. and Mrs. Joe Dillingham.

Fred Carpenter was ill for several days early this week with a cold and confined to his home.

Mrs. L. T. Stubbs and son, Sammie, spent Monday and Tuesday in Rochester with her family.

Mr. and Mrs. Raymond Elkins and children, Ramona and David are here for a visit with his mother, Mrs. W. B. Elkins and family.

Mr. and Mrs. Ned Moore and children spent Sunday at Albany with his parents.

"MY
FAVORITE
GROCER"
CONTEST

It's easy—and it's fun! Just write in a few sincere words why you like your favorite grocer. If your statement is judged best—you win \$1000 and your grocer wins \$500! Second and third grand prizes are a Philco Refrigerator and a Crosley Radio-Phonograph. There are wonderful weekly prizes, too, including Philco Refrigerators, Westinghouse Electric Roasters, Dormeyer Electric Mixers, Manning-Bowman Electric Percolators, Westinghouse Electric Irons, Dominion Electric Toasters, and many other prizes! Don't wait! Enter today! "Cup-Tested" ADMIRATION—that favorite coffee with the tantalizing aroma, delicious flavor, and luxurious richness, is available at your "Favorite Grocer's."

READ HOW TO WIN!

1. Simply complete this statement in fifty words or less: "Your favorite grocery store's name is my favorite grocer because . . ."
2. Write on one side of paper (or get an entry blank from your grocer) and mail to Admiration Contest, Box 285, Houston, Texas. Be sure to include your name and address of your grocer.
3. You may send as many entries as you wish but each entry must be accompanied by one of these:
The "Mummy" picture (or label) from an Admiration Coffee package or jar—or the strip that unwinds from an Admiration vacuum tan.
4. Anyone is eligible to enter except

employees of the Duncan Coffee Company, their advertising agency and their families.
5. All entries become the property of the Duncan Coffee Company—none can be returned—and the decision of the judges will be final.
6. The contest begins September 29th and ends midnight, November 16th. Weekly contest winners will be selected from entries received before midnight Saturday of each week. All entries postmarked later than midnight, November 16, will not be considered.
7. All winners will be notified. A list of the winners will be sent to all contestants requesting one and sending a self-addressed stamped envelope.

YOUR GROCER WINS, TOO!

Every winning contestant will win a special prize for the grocer he or she names as "My Favorite Grocer."

CONTEST OPENS MON., SEPT. 29

his immediate trade area
son will end here October

15, and the quail season will open
December 1. The season will be
from December 1 to January 16,
both dates inclusive.

Least local hunters get a little out
of line, St. John reminds one and
all that the season for ducks and
geese will be from November 4 to
November 17. Hunters must not be-
gin shooting before 12:00 o'clock
noon and quit by an hour before
sundown. The season will again be
open from December 16 to Decem-
ber 29.

Daily limit on geese will be four
birds, with same quota to apply to
ducks.

St. John reminds all area hunters
that there is no open season on sand
hill cranes, plover, field larks and
curlews.

Local Girl Assists in Religious Week Plans At Denton College

In preparation for Religious Em-
phasis Week scheduled for October
6-9 at Texas State College for Wo-
men, Inez Baggett, niece of Mrs. D.
D. Harden of Hamlin has been ap-
pointed to serve on the hospitality
and social committee. Miss Baggett,
a junior Occupational Therapy ma-
jor, is a member of Philomathia
social club.

Leading the week this year will be
Rev. James Wesley McClain, fam-
ed Dr. I. Q. who left radio two years
ago to become a minister. Father
McClain, now in charge of the East-
land-Stephens County mission, will
be assisted by several ministers in
the worship services, seminars, give
and take sessions and personal con-
ferences.

Since 1936 the college has set aside
this special week to emphasize spir-
itual training on the campus.

Stamford Civic Music Association Plans Annual Drive

Hamlin members of the Stam-
ford Civic Music Association learned
this week that the annual mem-
bership drive will be held the last
week in October, beginning October
27 and ending November 1. Two
weeks before the drive begins, pres-
ent members will be given a chance
to renew their memberships for the
coming winter concert season.

Executive committee of the as-
sociation has revealed that an in-
teresting program is being planned
this season.

Wanted to Share His Joys.

A four-year-old boy attended the
prayer meeting with his parents.
Later, when he was saying his bed-
time prayers, he prayed:

"Lord, we had a good time at
church tonight. I wish you could
have been there!"

Of Cotton Drops Mill Consumption

Of interest to area cotton farmers
is the report that cotton consump-
tion in Texas mills dropped nine
per cent from July to August, lo-
wering the monthly total to 11,887
running bales, according to a re-
port to The Herald by the Bureau
of the Census figures reported to
The University of Texas Bureau of
Business Research.

The report continued to Hamlin
and area farmers that during the
same period last year consumption was
upped eight per cent. This year,
consumption at Texas mills declin-
ed four consecutive months begin-
ning in March, jumped upward 11
per cent from June to July and
then tumbled again in August, fall-
ing 37 per cent short of a year-ago
figures.

Consumption of cotton linters
sagged 21 per cent from July to
August.

Farm Bureau To Meet In Abilene October 8

A series of 23 Farm Bureau dis-
trict meetings will be held in Texas
September 29 through October 14, it
has been brought to the attention
of the Hamlin area people by J. Wal-
ter Hammond, president of the state
organization.

In order that more farmers will
be able to attend and take part in
the discussions, two meetings have
been scheduled for the District 7
area. One will be held in Hotel Wo-
oten at Abilene on Wednesday, Octo-
ber 8 and the other at Brownwood
on October 9. The meetings will
start at 10:00 a. m. and Raymond
McElrath of Coleman, state direc-
tor, will preside. Mr. Hammond
and Congressman Omar Burleson
are expected to speak.

The Texas Farm Bureau will at-
tempt to get a cross-section on the
thinking of farmers with references
to continuation of the national farm
program, which is in jeopardy at
this time, a farm-to-market road
plan, and many other critical issues.
"Unless farmers make a deter-
mined fight for the retention of the
farm program, it will be discontinued
after 1948," President Hammond
warns. "There was a move on the
part of Congress during the past
session to eliminate all price sup-
ports and AAA payments for soil
conservation," he said, "and it is
necessary that we rally all the sup-
port possible from our members if
we are to retain our farm program."

Rail travel made easier

via **Santa Fe**

Ask about these special features now available for Santa Fe travelers

Rail Travel Loan—Travel Santa Fe now—pay later in easy monthly installments. Funds available for rail accommodations and other expenses for your trip. Simply make application for this service with your railroad ticket or travel agent.

Travel Credit Cards—Charge Santa Fe tickets as easily as you would department store purchases. Anyone with proper credit rating may have a rail credit card. Present it at any Santa Fe ticket window to charge rail, parlor-car, or sleeping-car tickets (amounting to \$5.00 or more) to any part of the country. Bills rendered monthly.

Rail Auto Service—Enjoy the comfort and economy of rail travel—and still have the convenience of a late-model automobile at your destination. Moderate cost. This plan now in operation in many U. S. cities.

Prepaid Tickets—Tickets can be delivered to any point in the U. S. by making a deposit with your Santa Fe ticket agent. Pullman accommodations, incidental cash included, if desired. A particularly attractive service for transportation arrangements of elderly people, invalids, students, etc.

Parmalee Transfer—Passengers holding tickets through Chicago may ride Parmalee coaches from the Dearborn station to any out-going depot, hotel, or downtown destination. Baggage included. This service available by presenting the Parmalee coupon which is a part of your through rail ticket.

For complete information
just call your Santa Fe Agent

Open For Food Care to Needy British Share Through CARE Committee Now

A Share Through CARE Committee, headed by Douglas Fairbanks Jr., last week at a special press conference at a hotel in New York launched its initial project, the Princess Elizabeth Wedding Gift, in a nation-wide campaign to aid the British people through CARE's special food packages. Hamlin area people were urged to take part in the program.

Mr. Fairbanks made public a telegram from Lord Inverchapel, British Ambassador to the United States, conveying Princess Elizabeth's warm approval of the plan. The Princess will be married November 20, and CARE packages purchased as wedding gifts to her will be distributed to British families facing the acute food shortages in the coming winter.

The Share Through CARE Com-

mittee includes such noted people as Mrs. Vincent Astor, Quentin Reynolds, Cole Porter, Dr. Robert Milliken, William Randolph Hearst Jr. and Colby M. Chester. It is a permanent organization to send CARE packages to the needy in the 15 European countries served by the organization, CARE. The Princess Elizabeth wedding gift is the group's first undertaking, Fairbanks said. It is expected that British and American groups and individuals will swell the total gift to 50,000 packages to be presented to Princess Elizabeth on her wedding day.

Individuals who wish to participate in the campaign, Fairbanks said, may do so by mailing their orders to Share Through CARE Committee, 50 Broad Street, New York 4, New York, with \$10 check or money order for each package.

Training Union Adult Class Has Officer Installation

In an impressive candlelight service Sunday evening preceeding the regular program, officers of the adult class number one of the First Baptist Training Union were installed with the pastor, Rev. John H. Osteen in charge.

Retiring president, Lester Morton, introduced the installing officer.

Officers accepting the charges of the offices were: Mrs. Herman Treadwell, president; Mrs. Fred B. Moore Jr., vice-president; Herman Treadwell, secretary; Mrs. Lester Morton and A. G. Irwin, Bible leaders; Mrs. Donald B. Bryant, missionary leader; Lesley Shelburne and Mrs. P. D. Funderburk, group captains and Fred B. Moore, social chairman.

Local Baptist Youths Attend Rally Saturday

Several representatives from the young people's department of the First Baptist Church attended the city-wide youth rally held at the First Baptist Church in Abilene Saturday evening. Rev. John H. Osteen, local pastor, was guest speaker on the program.

Those attending were Bill Bellah, Tommy Latham, Aubry Altum, Myrtice Marie Clemmer, Margaret Ryan, Donna Gayle Miller, Lovena Kite, Faye Altum and Rev. Osteen.

The group made the trip in the station wagon belonging to Stanley and Art Carmichael.

A picnic supper was enjoyed at a roadside park preceding the program.

"The world is engaged in a battle of ideas, and it is our duty to present the Christian way of life," Rev. Osteen told the group. He reflected on the World Congress and stated the reasons why he believes that Christ is the answer to world peace.

Expressive Term Aptly Used By Rendering Firm

On a page of this issue of The Herald will be found a small ad which pictures a comical looking cowboy dragging a cow by the tail.

The cow, though obviously dead, looks extremely happy as she trots her four feet and her four spigots at the sky.

The cow and the cowboy make up the trade-mark of the Central Hide & Rendering Company. The company dubs itself as "Your Local Used Cow Dealer", which is expressive enough when one considers the business engaged in by this concern.

The company is in the business of removing dead and crippled cows—also mules, horses, sheep, goats, hogs for that matter—from the premises of the people of this area. With a branch at Abilene, company representatives have on numerous occasions hauled off carcasses from Jones County and the Hamlin vicinity. All one needs to do is call collect the number given in the ad and the company's truck will be right over to save the bereaved owner from having to dispose of the remains of "Old Betsy" or "Old Dobbin". There is no charge whatsoever for the service. For obvious reasons, though, the sooner after the demise the call is made the happier everybody concerned in the matter will be Jim McDonald, manager of the company, pointedly suggests.

Has 'em All.

"Do you sell oil?" said a tourist to a country storekeeper.

"Yes, ma'am: Hair, machine, lamp, salad, motor or castor?"

He—"What is home without a mother?"

She—"I am—tonight."

Policeman—"Little boy, do both of your dogs have licenses?"

Boy—"Yes, sir. They're just covered with 'em."

Irwin Says 100,000th Kaiser-Frazer Made

Jimmy Irwin, head of the Irwin Motor Company, local Kaiser-Frazer dealer, reported this week that the 100,000th automobile to be built by the Kaiser-Frazer Corporation rolled off the Willow Run assembly lines last Thursday and at the same time revealed company plans to introduce a new model. The new car is described as a "luxury sedan" and is to go into production immediately.

Irwin said he was proud of the way in which the concern, one of the first of new motor car makers to get underway after the war, took 15 months to achieve its first 100,000 cars.

Harry—"My wife won five hundred bucks at the races yesterday and split with me."

Jerry—"You got half?"

Harry—"No, she packed her bag and left me!"

POT-SHOTS FROM McCauley

By GEORGE DARDEN

Mrs. Frank Drennan sent in \$5 for the McCauley Cemetery Fund. Your contributions are appreciated by the community. Let's keep up the work.

Mrs. W. C. Lee is back home and doing nicely after under going surgery in a hospital in Rotan.

Twin boys were born last week and the proud parents are Mr. and Mrs. W. R. Moffett of Sylvester.

Mrs. Jack Griffith and daughter, Mrs. Sybil Stevenson are in De Leon, at the bedside of Mrs. Griffith's

mother who is seriously ill. Rev. C. E. Dick is doing nicely after undergoing surgery at a hospital in Dallas.

Jim Fancher returned to McCauley last week on account of illness and is under going treatment at a hospital in Rotan. He has been employed at a cotton gin near

Farmers are crying for cotton pickers, but you can't stop 'em. Some of these days in the near future the mechanical cotton picker will take over and the boll pullers can go to the Plains.

The new owners of the cotton gin at McCauley, now known as the McCauley Supply Company are getting a lot of encouragement from the farmers, stockmen and business men of surrounding communities. Besides dealers in cotton, grain and all kinds of feed, gas and oils the new owners plan a tractor dealership after the first of the year. Might even buy your livestock. In fact its going to be a market that will be an asset to Fisher County, and we would like to gin your cotton.

Mrs. George Maberry has arrived home from sunny California after a four-weeks' visit with a sister in that state.

McCauley High School is going to town. The boys went over to Sylvester last Friday and defeated Sylvester High School by a score of 30 to 0. This coming Friday on the local field St. Joseph Academy of Abilene will arrive in McCauley to take on the local boys. We hope a great crowd turns out to see these two fast teams in action.

John Dean, contractor for the new school building, has finished his job and the school board have ac-

cepted the new building. Yep, pretty soon all we natives can gather at the new Gym and see some fine basketball games. That's mighty good entertainment in winter time as well as popping corn.

The county is going to be minus cow stock pretty soon if the auction rings continue to overflow with cattle. Some 3,000 head went through the ring at Abilene one day last week. We sho' gotta' have rain or no feed and if no rain then naturally it's going to be auction rings for the country's cattle.

Walter Nash Miers, 12-year-old 4-H Club boy of Fisher County, captured the junior champion cow at the West Texas Fair in Abilene last week.

Marney Mason and daughter, Marylan, of Comanche and aunt from Houston visited last week-end with Mrs. Flora and Miss Gertie Mason in McCauley.

Mr. and Mrs. Al Johnson of Abilene visited last Sunday with his sister and husband, Mr. and Mrs. Melvin Henderson, south of McCauley. Al is as you know a star football player on the Hardin-Simmons University, Abilene, famous Cowboy team. He formerly played High School and later started on six man football with the McCauley the Hamlin High School team.

Levi McCollum is beautifying a play ground and park near his home in McCauley and knowing Levi as we do, we gotta' notion that he will let his friends in on the playground when it's completed. Yep, folks around the old home town are looking to the future and we figure in a few years old McCauley will be one of the best trade centers in West Texas. Fact of the business is—plans are being made by local promoters to have a market for everything the farmer has to sell, also have what he needs to buy. After all, there is no point in having to drive a hundred or so miles to peddle your poultry, livestock, produce and the like, when a market is at home. Yep, after the first of hte year we hope to be ready to buy your grain, cotton, livestock, gas and oils will be sold wholesale and retail right in McCauley and folks the business that you do with us will remain at home. A prosperous community is a place where the money stays at home. Thanks for the encouragement from home people including business men, bankers, farmers and the men. With the cooperation of the people of this part of the country we are going to do big things in McCauley.

Mr. and Mrs. Albert Gallaway Jr. and son from Ralls visited last week-end with parents in this community.

Mr. and Mrs. A. A. Gallaway and Rev. and Mrs. C. E. Dick. M. P. May and Tite May of Hamlin and Parker May of Washington, D. C. were seeing friends in McCauley on Friday of last week.

Mrs. Laura Woods reports a wonderful time while on a visit recently in New York, Washington, D. C. and Virginia. Mrs. Woods formerly a McCauley resident now makes her home in Hamlin.

Personal Notes

Mrs. J. W. Wendel has returned home from Pasadena, California, where she has been for the past four months with her daughter, Mrs.

Clara Verner, teacher in the Nazarene College there. Mrs. Wendel was in California for her health and her asthma whose condition did improve, but since returning to Hamlin she has been confined to her home.

Mr. and Mrs. Harry Carmichael and son have moved into the house on Houston Street, which they have purchased.

Mrs. J. W. Crawford of Fort Worth is here for a visit with her son, Rev. and Mrs. J. T. Crawford, and family.

Agnes Morton of Abilene spent the week-end with her parents, Mr. and Mrs. J. H. Morton.

Mrs. Harold Wheat had an emergency appendectomy last Wednesday in Abilene and is reported getting along nicely. Plans were that she would be brought home Thursday or Friday.

Mrs. C. P. Chastain has been ill this week at her home, but is reported much improved.

Blessed Events

Mr. and Mrs. Andy Hill are the parents of a son, born Sunday morning, September 28 at a Stamford hospital. He tipped the scales at nine pounds and 13 ounces and has been named Jerry Wayne.

Former Resident, Mrs. Lucy Kirtley, Dies In Dallas

Mrs. Lucy Emmaline Morris Kirtley, 78, a former Hamlin resident, died at the home of her niece, Mrs. Henry Aldridge, in Dallas Friday afternoon.

Mrs. Kirtley was born December 8, 1868 at Sullivan Springs, Arkansas. She was converted and joined the Methodist Church at the age of 13, and in later years joined the Church of the Nazarene.

She was married to George W. Kirtley, and to this union one son was born, Ulysis Vernon Kirtley. Her husband preceded her in death when their son was 16 years of age. Her son died in World War I.

Funeral services were conducted here Sunday afternoon at 1:00 o'clock p. m. at the Church of the Nazarene with Rev. Dan D. Jones and Rev. J. T. Crawford officiating.

She is survived by four sisters, Mrs. Minnie Dawson, of California, Mrs. O. L. Weaver, Carnegie, Oklahoma, Mrs. James Wright, Berryville, Arkansas and Mrs. Ken Reeves of Cord, Arkansas; and two brothers, James A. Morris of Batesville, Arkansas and B. D. Morris of Dallas.

J. F. Gay Dies In Joplin, Missouri

J. F. Gay, who lived in the Wise Chapel community many years ago, died at Joplin, Missouri Tuesday, September 30, according to word received here by his nieces, Miss May Gay and Mrs. Oscar Jenkins.

Funeral services were held at Joplin Thursday.

Cultivation of cotton first began in the South about 1621.

Railway Official Charges Plot To Seize Control

Hamlin area railway workers and people interested in railroads were this week informed by C. E. Johnson, chairman of the Western Association of Railroad Executives, that certain "left wingers" high in government service are "conspiring to seize the railroads and through dictatorial control of railroad service and rates, dominate the economy of the whole country."

In speaking before the Railway Association Johnson asserted that while the plot had the earmarks of having been hatched in Moscow "I think it was concocted in the brains of a relatively small group of professional schemers who aspire to plan to regulate your way of life and mine."

He continued that the attitude of these schemers towards the railroad industry makes it very clear that they are resolved to destroy it by fair means or foul.

"The railroads have been the target of an unprecedented avalanche of vicious, lying propaganda, much of which is emanating from government sources or from sources which are obviously inspired by the government or beholden to it."

Referring to the conspiracy, Johnson declared that "this 'left wing' goon squad has even sought to pressure the Interstate Commerce Commission to do its bidding. Failing in that, it has sought to destroy public confidence in the Commission. It falsely represents the Commission as a group of railroad minded men who do the bidding of the railroads and ignore the public interest. Well, take a look at the record. During the depression and the recession 1930's, railroad rates were held at such low levels that about one-third of the nation's railroad mileage was forced into bankruptcy. Today, with peacetime traffic at the highest level in history, some of our largest railroads are operating in the red. Does that spell railroad domination?"

"This 'left wing' crowd is the same one that busted up the Pullman Company, and subsequently one of its members appeared as the attorney for certain interests that sought to buy the sleeping car business of the nation. It is a matter of court record that these interests had the all-out support of the Anti-Trust Division of the Department of Justice."

"In all the hearings on the Bulwinkle-Reed bills, which the Anti-Trust Division has appeared against, lobbied against, and propagandized against, their lawyers have never attempted to propose a substitute for the conference method of initiating freight rates. They have been asked to do so time and time again, but they always duck out. Why? Because it is their purpose to destroy ownership of the railroads by any possible means. It is not their purpose to try to tell the railroads how to continue under private ownership and obey the law as they seek to construe it."

"The whole purpose of the Bulwinkle-Reed legislation is to enable the railroads, under Interstate Commerce Commission regulations and supervision, to stay in business—for private industry to stay in business."

"The anti-railroad mob is doing everything in its power to prevent what happens. It will tell that bill from becoming a law. Now you where we are heading."

"The anti-railroad mob is doing everything in its power to prevent what happens. It will tell that bill from becoming a law. Now you where we are heading."

Mission Priest Dies In Rotan Hospital

Requiem mass was said at St. Joseph Catholic Church in Rotan Monday morning for the Rev. John Borowski, head of the parish there for the past seven years and leader of mission churches in Hamlin, Spur and Jayton. Interment was at Rotan. The Rev. Hardigan, new parish priest, conducted the mass. Hamlin's mission is located near the community of Hitson.

Father Borowski died in a Rotan hospital early Friday following an illness of several weeks from heart trouble.

To rid a lawn of ants drill several holes in each ant hill with a stick; pour into each hole two ounces of carbon bisulphide; and cover the whole nest with canvas. The fumes will kill the ants.

Baptist Group Plans Seminary In Jacksonville

Elder W. E. Nunn, pastor of the Calvary Baptist Church spent several days last week in Jacksonville attending a meeting of a special committee from the Texas Baptist Association studying selection of a seminary site for the American Baptist Association.

He reported that preliminary approval had been given Jacksonville as the site for the seminary which would be owned and operated by the ABA.

The selection was disclosed to the representatives of 123 churches from six southwestern states. It is to be presented to the annual meeting of the Texas group in November and to the American Baptist convention at St. Louis next March.

It is hoped to open the seminary by next fall. At the start it will operate in conjunction with Jacksonville College, already operated by the denomination.

State Starts New Fiscal Year With Hefty Balances

The Texas Government, which is a rather important institution with Jones Countains, has started off on a new fiscal year with nearly \$50,000,000 of spending money in its treasury. It was the beginning balance on record.

An Austin source says state finance are conducted from September 1 to August 31.

As many citizen know, the state spending fund is known officially as the general revenue fund. It is the one from which state appropriations are taken for operation of the state departments, bureaus, boards and commissions—and also contributes to welfare and educational expenses.

Exact amount of the new fund, citizens just back from Austin say, will not be known until all warrants issued in August have been deducted. September 3 the balance was approximately \$49,000,000.

A year ago, Snyder people recall, the state balance was \$34,094,395. Compared with 10 years ago the state finance outlook was rosy.

In 1936 the State of Texas started off with a deficit. This situation grew worse until 1942, when the state went \$29,243,065 in the red. It came out of the deficit in 1945 with about \$13,500,000 and has kept its upward swing since.

Texas Cottonseed Supply Up From Reserves in 1946

"Movement of cottonseed to crushing mills, Hamlin area farmers and ranchers are advised, has been small in volume except in South Texas and the Rio Grande Valley." Cottonseed Review of the U. S. Department of Agriculture states this week.

"It will be of interest to each Jones County rancher who will have to feed livestock during the winter to know that cottonseed production from the 1947 crop, based on estimates of August 1, will be approximately 4,800,000 tons—as compared with 3,513,000 tons produced in 1946.

"Acreage of oil bearing crops for '47 is season is estimated at 42,300,000 acres."

"Imports of fats and oils," the review continues, "in terms of oil equivalent are expected to be larger the 1947 season has been sharply increased over last year. The planted acreage of oil bearing crops in 1947 than the 966,000,000 pounds the five months of 1947 was 698,000,000 pounds."

"Prices now being paid for cottonseed range from \$55 per ton in District 10 to \$80 per ton in District 4. Average price for the state was \$70.80 per ton—compared with \$64.60 a year ago."

"Sampling and grading of cottonseed," the review concludes, "is under supervision of the Production and Marketing Administration."

Under modern conditions it costs over \$120 to grow an acre of potatoes.

'Tween Me and my Typewriter

by Jeanette Bryant

Did you see what a beautiful performance Hamlin Pep Squad put on at the Merkel-Hamlin football game Friday night? Those girls really looked "classy" and almost collegiate. Frances Ubben is doing a splendid piece of work with that group of attractive teen-agers, who work long and faithfully in training for such activities. Joan French, Juanice Young and Joan Johnson are excellent leaders. Little Miss

Pam Robertson plays her part as mascot very effectively for a four-year-old. Altogether, they make up a squad that should make Hamlin fans swell with pride.

A suggestion has been made to the effect that property owners with vacant lots in need of a clean-up allow the city to supervise such a campaign and add the cost of the work to the taxes. Not a bad idea! Don't think anyone would argue the point that there are plenty of such lots in our city which detract from the beauty of our residential sections. We repeat that they are a fire hazard as well as an "eyesore." If you like this plan, start talking it.

Roger W. Babson says, "Small town folk are the luckiest people in America." Come to think about it, guess he is right. He adds, "Life

COTTON QUIZ

HOW MANY EGGS CAN A BOLL WEEVIL LAY?

ANS—A FEMALE BOLL WEEVIL HAS BEEN KNOWN TO LAY AS MANY AS 440 EGGS DURING A SINGLE SEASON

never can be so lonely as in a great city swarming with strangers." Seems odd, but the loneliest time in our lives was in a large metropolis crisscrossed full of people, who didn't give a "hoot" about whether we lived or died. Babson says, "In the years to come, cityward migration will play out and dry up. The out-bound, county-ward movement will rise to a mighty tide." We have something to look forward to in the future years. Hamlin is growing but not fast enough to lose that friendly, homely attitude that God intended for us to cling to.

Small town gossip! That is one feature Hamlin or any other little town could do without successfully. We can stop such foolish past-times, by refusing to repeat any degrading information concerning any person. Most of us are guilty, we need not deny it. We broadcast our "littleness" in such practices. The harm is more to ourselves than the other person. Let's resolve to keep our big mouths shut if we have nothing good to say about the person being discussed. You'll discover how difficult it is to break yourself of such a injurious habit.

October 6 through 11 has been proclaimed as Fire Prevention Week by Governor Jester. We should remember to tell Fire Chief Carl Young and his staff of volunteer firemen just how much we appreciate their capable handling of fire fighting.

Hamlin was given a 10 per cent credit by the Texas Fire Insurance Commission, effective last March. We can be assured that Chief Young and his fellow workers are mostly responsible for this cut in insurance rate.

Have you ever bothered to wonder why the numbers "30" are used at the conclusion of a newspaper story? Might be interesting, even if you haven't pondered the matter. The story goes that someone—nobody seems to know who he was—

whether a telegrapher or a man on the rewrite desk of a newspaper, nor when nor where he first did it—observing that X was the Roman numeral for 10 and the XXX added.

up to 30, decided to "be different." So, instead of putting the three X's at the end of a story, he put "30." Others followed his example and before long "30" was a generally-recognized bit of newspaper talk and meaning "The End"—of a news story, of the day's work or of a newspaperman's life.

There you have it!

A popular subject of discussion remains to be the new length of women's skirts, but as far as we can determine little is being done about it. Weaklings, as we women have always been termed by the so-called stronger sex, seem to be falling for the longer fashions rapidly. Variety in lengths seem to be prevalent, with most of us wearing our last year's and year before frocks for second best and the treasured new one on Sunday. Variety is the spice of life.

Now we are looking forward to the new "drape shape" fashions with the shorter trousers for men. They vow they will not submit to such nonsense. Time will tell who is the stronger sex.

"The" daughter was arguing with her grandmother about the identity of a certain character in a movie they had seen. Her grandmother contended that he was the husband of the heroine, but the youngster insisted he was the sweetheart and she settled the question satisfactory by stating, "I am sure of it, because he called her darling all the time." Catching on young, isn't she?

Franklin Roosevelt once remarked "If you treat people right, they will treat you right—90 per cent of the time."

And we suppose you can have lots of worthwhile experiences discovering who the other 10 per cent are.

Senior Class to Hold Open House Friday Night

Seniors of Hamlin High School will have open house Friday night at the Toler cabin following the Spur-Hamlin football game. All seniors are invited to be present.

A social committee, composed of George Bingham, Bill Bellah, Jeanette Bevels and Suzanne Toler, has been appointed.

This class has elected officers for the annual, soon to be published. They are: Bill Bellah, editor; Suzanne Toler, assistant editor; Sue Jones, business manager; Jack Willingham, assistant business manager; Wanda Mayfield, society editor; Nozik Hassen, photography; Sarah Steele, class editor and Jack Owens, sports editor.

Plans for the Halloween carnival to be held November 1 will be made later, but the seniors chose Wanda Mayfield to be their queen; Weldon Townsend, the escort and Suzanne Toler and Jerita Durham, ladies-in-waiting.

A list of class officers is published in another story in this issue of The Herald.

Mrs. E. F. Fairley slipped and fell in her home last Thursday and injured her hip. She is able to get up now, but still unable to walk.

Mr. and Mrs. Bill Harbert of Sulphur visited her parents, Dr. and Mrs. J. W. McCrary, during the week-end.

GAS HAS GOT IT!

The old-fashioned "light" bill, like the surrey with the fringe on top, is a thing of the past. Electricity for lighting is only one of many items represented by your electric service bill. Today, in most homes, you're likely to find two or more electric appliances in every room—many homes have a score or more. That's why your electric service bill can no more rightly be called a "light" bill than a "refrigerator" bill.

The cost of a kilowatt hour of service to residential users has decreased one-third in the last 14 years.

Final Rites for Mrs. Annie Huling Conducted Sunday

Mrs. Annie Matilda Huling died at her home on Jackson Avenue Saturday night at 9:45 p. m. after a lingering illness. She was 77 years 11 months and nine days old.

Mrs. Huling was before her marriage Annie Matilda Kennedy. She was born November 6, 1869. At an early age, she was converted and joined the Missionary Baptist church to William Andrew Huling on September 18, 1889 at Dalton. To this union were born seven children, one of whom died in infancy. The surviving children are three sons, Hamlin; and three daughters, Mrs. Van, Oddis and Ray Huling, all of Hamlin and three daughters, Mrs. Parnia Rush and Mrs. Lenyce Phillips both of Stamford and Mrs. Lora Smith of Robiline, Louisiana. The 17 grandchildren and 21 great grandchildren also survive.

One sister, Miss Nan Kennedy of Naples, survives and three brothers, John of Haynesville, Louisiana, R. W. of Paris and Ed of Naples and one sister-in-law, Mrs. Sam Kennedy of Naples.

Huling family moved to Jones County October 5, 1905, and settled near the Abbie Store, now the Fairview Church location. In 1921, they moved to Hamlin and remained until 1926, when they moved to Corpus Christi for Mr. Huling's health. He died there May 12, 1945. Since that time, Mrs. Huling has made her home here with her son, Oddis, occupying a residence in the same block as her chosen Baptist Church, in which she was active in supporting as long as her health would permit. She was devoted to her family and lived a consecrated Christian life in all her walks.

Funeral services were conducted at the First Baptist Church Sunday afternoon at 4:00 o'clock p. m. with the pastor, Rev. John H. Osteen, officiating. Pallbearers were four grandsons, H. M. Phillips, Joe Vasek, Paul Griffin and Aaron Mallonee and Earl Ray and Elmer Joiner. Interment was in the Fairview Cemetery with Barrow Funeral Home in charge of arrangements.

California Creek Conservation Board Has Monthly Meet

California Creek Soil Conservation District Board of Supervisors held their regular monthly meeting last week. Members of the board were John R. Watson Sr., C. E. Lantrip and E. W. Carlson. James P. Donny Jr., district conservationist with the Soil Conservation Service, was also present.

Among other business attended to, a large number of applications for assistance were approved by the board. Farmers whose applications were approved were: Mrs. S. L. Brown, Will Stegemoller, J. E. Abernathy, J. C. Fielder, Lee Estate, J. C. Laim, Joe Ford, Mrs. Rita Peters, T. A. Jean, A. J. McKeever, J. T. Smith and Mrs. C. E. Bunkley.

Soil Conservation District agreements were also approved for the following cooperators: John E. Walton, Louis Scott, Fred Buerger, Tom O. Brown, T. A. Jean Jr., J. Ubben, Arza Brown, Woodrow

Smith, W. J. Glenn and Charles Vasek.

W. R. Redus, of the Southeast Swedonia Soil Conservation Group located north of McCaulley in Fisher County, planted a small seed plot of Yellow Bluestem grass last week. Redus plans to retire a large portion of the crop land on his home place from cultivation by seeding it to perennial grasses. Other grasses will be planted this week consisting of Weeping Love grass, Sand Love grass, Lehmann Love grass, Blue Panic grass and Blue Grama grass.

Mrs. P. D. Funderburk plans to leave Friday for Harper to be at the bedside of her father, V. V. Copple, who is seriously ill with a heart ailment.

Mr. and Mrs. Lott Shell and children, Lewis and Priscilla spent the week-end in Georgetown with his parents, Mr. and Mrs. Lott Shell Sr.

• The Texas Butane Dealers Association Urges You—

"For
WINTER
Insurance—
**BUY BUTANE
OR PROPANE Now!"**

The Texas Butane Dealers Association urges every domestic user of butane and propane to take stock of the capacity of your tank. If it cannot serve you through four winter months without refilling, you may find yourself without gas in the coldest season of the year.

During the war many new industries were developed. These industries—plastics, synthetic rubber, chemicals, etc.—use tremendous amounts of butane or propane the year round. On the other hand, domestic users burn four to seven times more gas in winter than in summer—but your dealer will be able to furnish you very little more in winter than in other seasons. On a year-round basis, there's enough butane or propane for everyone. But to lighten this winter overload, the Texas Butane Dealers Association urges users to tank ahead with a four-month's

winter supply while delivery is certain.

Just as farmers store their summer grain, or housewives can their summer fruit, heating gas users are asked to stock up when the supply is plentiful. It's "Winter-Insurance" for you: your cold-weather supply will be in your tank when you need it most. And by taking less time for your dealer's services, he can supply you and your neighbors more efficiently and economically during those critical months when roads are worst for delivery.

If you are not sure, The Texas Butane Dealers Association urges you to drop in and see your local gas dealer as soon as possible. He is your friend. He knows butane-propane, and he will do everything possible to help you get ready for winter now. Before you buy any system, see your gas dealer first!

SOCIETY

Homemakers Have Meeting Monday At High School

Members of the Hamlin chapter of the Future Homemakers of America met at 7:30 o'clock p. m. Monday evening in the homemaking department of the high school. There 25 members were initiated by the president, Ann Agnew.

A short business session was held and LaDell Butler was elected vice president. Mrs. Jimmy Simmons gave a talk on the history of FHA and Ann Agnew reported on the State F. H. A. camp, which she attended in August.

Punch and cookies were served by a committee composed of Priscilla Harwell, Margie Hallmark and La Dell Butler.

Methodist Choir Officers Elected Sunday Evening

Officers for the next year were elected by the choir of the First Methodist Church Sunday evening upon recommendations by the nominating committee.

Mrs. L. H. McBride was named as president; Dr. Joe McCrary, vice-president; Mrs. Edd Bailey, secretary-treasurer; Mrs. Willard Maberry, director; Mrs. Bill Rountree, accompanist; Mrs. Brad Rowland, assistant accompanist and Mrs. Gordon R. Bennett, custodian of music.

Verlene Stewart Becomes Bride of Jerry Waggoner

Verlene Stewart, daughter of Mr. and Mrs. Vernon Stewart became the bride of Jerry Frank Waggoner Wednesday morning at 7:30 a. m. in the home of the bridegroom's parents, Mr. and Mrs. Frank Waggoner. Dr. Will C. House, pastor of the First Methodist Church, officiated at the single ring ceremony.

Only members of the immediate families of the bride and bridegroom were present.

White gladioli and chrysanthemums were used to decorate the Waggoner home.

The bride was attractive in a winter blue suit with black accessories. her corsage was of white gladioluses.

Mr. and Mrs. Waggoner left immediately following the ceremony for Denver, Colorado, where both will attend school.

Both are graduates of Hamlin High School. Mrs. Waggoner was queen of the high school in her senior year, 1947. Mr. Waggoner attended McMurry College in Abilene.

The couple will make their home in Hamlin after finishing school.

Rev. J. T. Crawford was in Sweetwater Thursday for a meeting with the district board of the Churches of the Nazarene to make plans for the annual meeting.

Wedding Cake Being Cut

Mr. and Mrs. W. T. JOHNSON

Pictured above are Mr. and Mrs. W. T. Johnson cutting the wedding cake at the reception held in the home of her parents.

Mr. and Mrs. Herman McBride, following the nuptials Wednesday, September 17. The bride is the former Anna Margaret McBride.

Literary Club Begins Year's Work To-day

Hamlin Literary Club will open the season with a covered dish luncheon Friday, October 3 with Mrs. Bowen Pope as hostess and Mrs. W. L. Boyd Jr. as director. The meeting will be honoring the president, Mrs. Tarlton Willingham.

Committees planning the opening committee: Mrs. Pope, Mrs. Ernest Jenkins and Mrs. Art Carmichael and the menu committee: Mrs. R. D. Moore, Mrs. O. D. Roland and Mrs. Fred B. Moore Jr.

Mrs. Willingham will address the club and Mrs. Jim Howard King will give the response.

This club was organized in 1908 and federated in 1910. The course of study will be book reviews, magazines and periodicals. "No profit grows where is no pleasure taken" is the club motto. White and gold are the colors and rose the chosen flower. Regular meetings are held twice monthly from October to the first of May.

New officers are Mrs. Willingham, president; Mrs. Jim H. King, first vice-president; Mrs. W. L. Boyd Jr., second vice-president; Mrs. Thomas Ferguson, recording secretary; Mrs. Clyde Angel, corresponding secretary; Mrs. R. D. Moore, treasurer; Mrs. O. D. Roland, parliamentarian; Mrs. James E. Simmons, critic; Mrs. Henry Albritton, musician; Mrs. E. J. Whaley, reporter and Mrs. H. O. Cassie, librarian.

Mrs. Jack Owens, Mrs. Jude Smith were in Abilene Thursday.

Luncheon Will Begin Garden Club Year Friday

Friday, October 10, will be the opening date of the year's work for the Hamlin Garden Club. A covered dish luncheon will be held with Mrs. Loy Fry as hostess and Mrs. A. A. Hackley as leader.

"Summer Garden Observations" will be the topic for a round table discussion. Year books will be presented.

Officers are Mrs. H. O. Cassie, as president; Mrs. Dick Maberry, first vice-president; Mrs. C. G. Green, second vice-president; Mrs. M. T. Hudson, recording secretary; Mrs. A. A. Hackley, corresponding secretary; Mrs. R. D. Moore, treasurer; Mrs. Carl Young, reporter; Mrs. J. W. McCrary, parliamentarian and Mrs. W. A. Albritton, historian.

Hamlin Garden Club was organized and federated in 1940. Regular meeting dates are the second Fridays of each month, October on through June.

Mrs. Sadler Funderburk and Mrs. Laura Harkey of San Saba are visiting their sister, Mrs. W. J. Johnson and niece, Miss Viola Johnson.

Alathean Class Installs Officers Tuesday Evening

Members of the Alathean Class of the First Baptist Church met in the home of their teacher, Mrs. R. A. Crockett, Tuesday evening for installation service for the new officers.

Mrs. Crockett was installing officer. In a very impressive ceremony, the following officers were installed: Mrs. John R. Howell, as president; Mrs. Kelly Scott, membership vice-president; Mrs. Weldon Carter, fellowship vice president; Mrs. P. D. Harkins, class ministries vice-president; Mrs. J. D. Miller, as stewardship vice-president; Mrs. B. W. Neidecken, secretary-treasurer; Mrs. O. G. Harvey, reporter and Mrs. E. B. Watson, Mrs. Roy Brown and Mrs. Ernest Lee, group captains.

During the social hour, several interesting games were enjoyed and refreshments were served.

Those attending were Mmes. P. D. Harkins, E. B. Watson, B. W. Neidecken, Vera Davis, J. D. Miller, Mayne Deel, Ray Kidwell, Kelly Scott, Weldon Carter, John R. Howell, Ernest Lee and the hostess.

Mrs. Clyde Angel Is Party Honoree

Mrs. Clyde Angel was honored with two surprise birthday parties Friday.

At noon, Mrs. J. W. Ezell, Mrs. Laura Woods and Mrs. M. P. May were hostesses at a surprise luncheon in the May home.

Friday evening, Mrs. Frank Johnson entertained with a dinner party for Mrs. Angel at the Johnson home in Rotan.

Only members of the family were present for both celebrations. Out-of-town persons attending were: Mr. and Mrs. M. P. May Jr. of McLean, Virginia.

King's Daughters Class Has Social Tuesday Evening

King's Daughters Class of the First Methodist Church were entertained with a supper at the lake cabin of Mrs. I. R. Witt Tuesday evening with Mes. Mary Farrow, A. A. Hackley and Clinton as the co-hostesses.

Mrs. Witt expressed appreciation of the retiring officers for the cooperation given by the members during the past year.

New officers introduced were: Mrs. D. L. Park, president; Mrs. A. McWilliams, vice-president; Mrs. P. H. Wick, secretary-treasurer; Mrs. Mary Farrow, teacher; Mrs. A. B. Carlton, assistant teacher; Mrs. Willard Maberry, accompanist; Mrs. A. A. Hackley, assistant accompanist; Mrs. Fred Carpenter, song leader and Mrs. Clinton Barrow, reporter.

FARM FACTS WORTH KNOWING

Question—At what age should calves be vaccinated for the control of Bang's disease?

Answer—It is recommended that the calves be inoculated between the age of four and six months.

Question—what is the best time of the year for culling sows? And what should be the basis for culling?

According to the Research Farm of a feed company in St. Louis the best time of year to make accounting with the sows is just after they have weaned their pigs. They have just finished a test of performances which offers the most practical basis for selection of future breeding stock. Discard those sows which:

- 1.—Raised less than eight large, uniform pigs to weaning time.
- 2.—Had difficulty at farrowing time.
- 3.—Were cross or nervous at farrowing time.
- 4.—Have less than 12 good teats.
- 5.—Produced small pigs.
- 6.—Were late or irregular in breeding.
- 7.—Were poor milkers or whose pigs failed to gain rapidly during the suckling period.
- 8.—Are off type or produced off type pigs.
- 9.—Transmitted heritable defects.

Question—Should just one wing or both wings of chickens be clipped?

Answer—Only one wing should be clipped to prevent chickens from flying. This means that one wing will be longer than the other and thus throw the chickens off balance when they attempt to fly. If both wings are clipped so that they are balanced, chickens can fly almost as well as ever.

With "Mae West" life preservers around them, Ruth Blount (left) and Marie Spurgin of the War Assets Administration office at Grand Prairie are all set for storm, shipwreck or a bargain seeking crowd going overboard for three million dollars worth of war surplus. The "Mae Wests" are a tiny part of the 1,000 lots of surplus materials which will be displayed to the public in the WAA's Grand Prairie war house for a big sale.

The motto of the State of Texas is "Friendship."

Producers Show Interest in Tests Of Bangs Disease

Here last week making a preliminary check on Bangs disease, a Texas Extension Service veterinarian reports Hamlin livestock owners are anxious to have milk cows tested for reaction to the malady.

Organization of a state advisory committee, in fact, to map plans for controlling Bangs disease in Texas livestock herds is nearing completion, reports H. C. Stanley Jr., county agent.

Appointments on the state committee have been made out of all livestock breed organizations, ranging from Jersey to Hereford cattle and milk goat associations.

In a report to The Herald, Dr. E. A. Grist, extension veterinarian at Texas A. & M. College, says several new ideas have already been set forth for consideration of the state advisory committee—one being a vaccination program for heifers without tests of adult members.

The proposed advocated by several in Jones and Fisher Counties would call for complete herd vaccination with special permission. Also up for discussion by the committee is a plan to include local practicing veterinarians in a Bangs disease control plan in Jones and every other county of Texas.

Guest Speaker.

Rev. John H. Osteen was speaker at the Youth Rally held at the First Baptist Church in Abilene Saturday evening.

The word "Texas" is derived from the Indian greeting "Tehias," which meant "Hello, Friend." Hence "friendly."

State Finances in Better Shape With Voiding of Big Bills

The State of Texas, Jones County's 23,378 citizens are advised, this week jingled \$1,857,491 in its general funds that it didn't expect to have three months ago.

This amount of revenue materialized when the 50th Legislature failed to write successful appropriations for such amount.

State Comptroller Sheppard reports August revenue of \$32,856,765 has boosted the fiscal year's income to \$377,549,123—more than \$72,000,000 ahead of the previous fiscal year which ended on August 31, 1946.

Sheppard cut off seven bills carrying appropriation of nearly \$5,000,000 from the legislature's final action, declaring insufficient funds in sight to meet the expenditures. The bills were later declared dead by Attorney General Price Daniel.

Early morning hours are the most critical time of day during an illness because all the activities of the body—including heat production—are lessened. Therefore shock, such as cold, may cause death.

According to geologists it is probable that the Ice Age may return, and much of the surface of North America will again, at some future date, be covered with great glacial ice sheets.

Card of Thanks

CARD OF THANKS

I want to thank my many friends for their every act of kindness and especially do I want to thank the doctors and nurses for their help during my stay at the Callan Hospital at Rotan. May God bless each and everyone of them.—Mrs. W. C. Lee. 1p

CARD OF THANKS

From the depths of our hearts we do thank our friends and neighbors for their every act of kindness and expressions of sympathy shown during the illness of our precious mother, Mrs. Annie Huling. Especially do we thank Rev. Osteen for his appreciation for the consideration, attention, love and words of comfort. Also we desire to express our appreciation for the consideration shown by the faculty and pupils of the high school, across the street, during our mother's last days, and to many others who served and comforted our hearts by their presence and the beautiful floral offerings. May God bless each of you.—Children of Mrs. Annie Huling. 1p

BOOK'S Red & White

"IN DOWN TOWN HAMLIN"

New Football Rules Hardly Noticed By Average Fan on Today's Sidelines

Football this fall will undergo a modicum of change, but the average Hamlin and Jones County football fan will scarcely notice it. About the only time the average fan will think something new has

been added will be on blocked tries or point after touchdown. This occurs so seldom he may not see such an incident at all this season. Under the change in the rules, the ball becomes dead when the kick for extra point is blocked or deflected. No man on the kicking team can run with the ball or pass it. Officials will whistle the ball dead as soon as it becomes apparent the kick has no chance to score.

Other changes will bring liberalization of the substitution rule where each team may send in a player while the ball is dead although time still is in, bars the so-called running shift, moves the ball in from the sidelines after out-of-bounds plays to one-third the width of the field—instead of 15 yards as in the past. This cuts the penalty on disqualification fouls from half the distance to the goal line to 15 yards—although the offending player will be removed, and makes penalties called on fouls committed while the ball is dead part of the succeeding play and not the preceding play.

The coach, under such liberalization, can really run his team on the field if he so desires because, by putting in a substitute after each play he can control every play.

In other words, Jones County football fans, the coach can send in his "specialist" to meet the occasion at hand—whether it be a kick, pass, field goal or to plug a leak in the defense.

There's really nothing, however, to get excited about. Football still will be the greatest spectacle of them all.

Wings Over HAMLIN

Recent visitors to the Lone Star Aviation Airport include: J. M. Hall Sr. and J. M. Hall Jr., both of Dallas who flew to Hamlin on business, F. T. Hinson of Big Spring, who was making a cross-country trip in a Cub; Cal Lewis of Rotan, who is here quite often for gas and oil for his Cub; C. F. Morgan of Rotan for fuel for his Cub; Jess Fowler, instructor at Sweetwater in a twin-engine Cessna. Raymond Fowler of Midland was here in the BT-13 and manager-instructor J. R. Elliott flew several of his students in this plane while Mr. Fowler was in town.

New students at the local field include Fred Swenson, of Chicago, (whose father is construction engineer at Celotex), Dobie Johnson, 240-pounder from Hamlin, Doyle and Morris Roseberry, cousins from Rotan and P. Simmons, Santa Fe employee here.

Latest soloist is Fred Swenson and it is reported that the Cub in which he made his solo really encountered an ordeal. Facts of the story were not released for publication.

Making solos in a PT-19 are "Pee-wee" Griffith, Travis Smith, J. W. Riddle, Dub Tidwell and Jess Kelley.

Fliers caught taxiing with their flaps down are required to buy drinks for the whole gang.

Felix Street is the only night soloist so far, making his debut at Sweetwater last week in a Cessna.

Ground school attendance is improving but should be much better. Navigation is still the subject of study and meteorology plus navigation will be taught beginning next week.

Stamford now boasts of a newly-organized club of young women who are interested in aviation, known as the West Texas Air-ettes. This is the first club of this kind in West Texas. They meet with the flying instructor and hear instructions in civil air regulations and descriptions and other things of interest to the members. Regular meetings are held every two weeks.

Hamlin Schools Vote On Legislative Plan

Hamlin is one of the 34 Class A schools in Region 2 of the University Interscholastic League being mailed ballots to secure nominations for a representative on the Legislative Advisory Council.

Hamlin and other schools in the region will select a successor to Superintendent E. M. Connell of Anson, whose term expired August 31.

Mr. and Mrs. B. J. Day of Dallas visited her mother, Mrs. W. B. Elkins and family Saturday night and Sunday.

Cardinal Baseball Tryout Camp Set At Seymour Park

Hamlin area baseball players and fans were informed this week that Fair Park Field, Seymour, will be the scene of a baseball tryout camp Friday and Saturday, October 10-11, which will be conducted by the St. Louis Cardinals. At the conclusion of the camp, the personnel will move on to Stephenville for another day camp. These camps, typical of more than 60 such camps already held by the Cardinals all over the country this summer, will be open free to all players who aspire to make their careers as a professional baseball player.

Try-outs at Seymour will begin at 1:00 p. m. Friday and 10:00 a. m. Saturday. Both workouts at Stephenville will get underway at 10:00 a. m. The camps will be under the supervision of C. A. (Runt) Marr and Fred Hawn, veteran Red Bird scouts and former minor league players and managers. They will put the aspirants through drills in running, fielding, hitting and throwing. There will also be regular games played between teams made up of players in attendance.

Every boy in the Hamlin vicinity who feels that he has what it takes to become a professional baseball player is invited to enroll for a tryout. Players should bring their own gloves and baseball shoes and uniforms if they have them, as the Cardinals do not supply this type of equipment for their trial camps. All expenses incident to attending the camp will be refunded to any player signing contracts.

Mr. and Mrs. DeFrance Burton and daughter, Martha Delane, of Denver City spent the week-end here with her parents, Mr. and Mrs. Joe Dillingham.

Fred Carpenter was ill for several days early this week with a cold and confined to his home.

Mrs. L. T. Stubbs and son, Sammie, spent Monday and Tuesday in Rochester with her family.

Mr. and Mrs. Raymon Elkins and children, Ramona and David are here for a visit with his mother, Mrs. W. B. Elkins and family.

Mr. and Mrs. Ned Moore and children spent Sunday at Albany with his parents.

Announcing Admiration's \$5,000.00

"MY
FAVORITE
GROCER"
CONTEST

It's easy—and it's fun! Just write in a few sincere words why you like your favorite grocer. If your statement is judged best—you win \$1000 and your grocer wins \$500! Second and third grand prizes are a Philco Refrigerator and a Crosley Radio-Phonograph. There are wonderful weekly prizes, too, including Philco Refrigerators, Westinghouse Electric Roasters, Dormeyer Electric Mixers, Manning-Bowman Electric Percolators, Westinghouse Electric Irons, Dominion Electric Toasters, and many other prizes! Don't wait! Enter today! "Cup-Tested" ADMIRATION—that favorite coffee with the tantalizing aroma, delicious flavor, and luxurious richness, is available at your "Favorite Grocer's."

READ HOW TO WIN!

1. Simply complete this statement in fifty words or less: "My favorite grocery store's name is . . . my favorite grocer because . . ."
2. Write on one side of paper (or get an entry blank from your grocer) and mail to Admiration Contest, Box 285, Houston, Texas. Be sure to include your name and address and name and address of your grocer.
3. You may send as many entries as you wish but each entry must be accompanied by one of these: The "Mammy" picture (or label) from an Admiration Coffee package or jar—or the strip that unwinds from an Admiration vacuum can.
4. Anyone is eligible to enter except employees of the Duncan Coffee Company, their advertising agency and their families.
5. All entries become the property of the Duncan Coffee Company—none can be returned—and the decision of the judges will be final.
6. The contest begins September 29th and ends midnight, November 16th. Weekly contest winners will be selected from entries received before midnight Saturday of each week. All entries postmarked later than midnight, November 16, will not be considered.
7. All winners will be notified. A list of the winners will be sent to all contestants requesting one and sending a self-addressed stamped envelope.

YOUR GROCER WINS, TOO!

Every winning contestant will win a special prize for the grocer he or she names as "My Favorite Grocer."

CONTEST OPENS MON., SEPT. 29
CLOSES MIDNIGHT NOV. 16

tating out of the county of
to have a valid hunting

person 16 years of age and
quired to have an unexpir-
stamp to shoot ducks and
the game warden reminds.
of the hot, dry summer
of water St. John does
ve there are too many
his immediate trade area
son will end here October

15, and the quail season will open
December 1. The season will be
from December 1 to January 16,
both dates inclusive.

Lest local hunters get a little out
of line, St. John reminds one and
all that the season for ducks and
geese will be from November 4 to
November 17. Hunters must not be-
gin shooting before 12:00 o'clock
noon and quit by an hour before
sundown. The season will again be
open from December 16 to Decem-
ber 29.

Daily limit on geese will be four
birds, with same quota to apply to
ducks.

St. John reminds all area hunters
that there is no open season on sand
hill cranes, plover, field larks and
curlews.

Local Girl Assists in Religious Week Plans At Denton College

In preparation for Religious Em-
phasis Week scheduled for October
6-9 at Texas State College for Wo-
men, Inez Baggett, niece of Mrs. D.
D. Harden of Hamlin has been ap-
pointed to serve on the hospitality
and social committee. Miss Baggett,
a junior Occupational Therapy major,
is a member of Philomathia
social club.

Leading the week this year will be
Rev. James Wesley McClain, fam-
ed Dr. I. Q. who left radio two years
ago to become a minister. Father
McClain, now in charge of the East-
land-Stephens County mission, will
be assisted by several ministers in
the worship services, seminars, give
and take sessions and personal con-
ferences.

Since 1936 the college has set aside
this special week to emphasize spir-
itual training on the campus.

Stamford Civic Music Association Plans Annual Drive

Hamlin members of the Stam-
ford Civic Music Association learned
this week that the annual member-
ship drive will be held the last
week in October, beginning October
27 and ending November 1. Two
weeks before the drive begins, pres-
ent members will be given a chance
to renew their memberships for the
coming winter concert season.

Executive committee of the as-
sociation has revealed that an in-
teresting program is being planned
this season.

Wanted to Share His Joys.

A four-year-old boy attended the
prayer meeting with his parents.
Later, when he was saying his bed-
time prayers, he prayed:
"Lord, we had a good time at
church tonight. I wish you could
have been there!"

Of Cotton Drops Mill Consumption

Of interest to area cotton farmers
is the report that cotton consump-
tion in Texas mills dropped nine
per cent from July to August, low-
ering the monthly total to 11,887
running bales, according to a re-
port to The Herald by the Bureau
of the Census figures reported to
The University of Texas Bureau of
Business Research.

The report continued to Hamlin
and area farmers that during the
same period last year consumption was
upped eight per cent. This year,
consumption at Texas mills declin-
ed four consecutive months begin-
ning in March, jumped upward 11
per cent from June to July and
then tumbled again in August, fall-
ing 37 per cent short of a year-ago
figures.

Consumption of cotton linters
sagged 21 per cent from July to
August.

Farm Bureau To Meet In Abilene October 8

A series of 23 Farm Bureau dis-
trict meetings will be held in Texas
September 29 through October 14, it
has been brought to the attention
of the Hamlin area people by J. Wal-
ter Hammond, president of the state
organization.

In order that more farmers will
be able to attend and take part in
the discussions, two meetings have
been scheduled for the District 7
area. One will be held in Hotel Wo-
oten at Abilene on Wednesday, Octo-
ber 8 and the other at Brownwood
on October 9. The meetings will
start at 10:00 a. m. and Raymond
McElrath of Coleman, state direc-
tor, will preside. Mr. Hammond
and Congressman Omar Burleson
are expected to speak.

The Texas Farm Bureau will at-
tempt to get a cross-section on the
thinking of farmers with references
to continuation of the national farm
program, which is in jeopardy at
this time, a farm-to-market road
plan, and many other critical issues.
"Unless farmers make a deter-
mined fight for the retention of the
farm program, it will be discontinued
after 1948," President Hammond
warns. "There was a move on the
part of Congress during the past
session to eliminate all price sup-
ports and AAA payments for soil
conservation," he said, "and it is
necessary that we rally all the sup-
port possible from our members if
we are to retain our farm program."

Rail travel made easier

Ask about these special
features now available
for Santa Fe travelers

Rail Travel Loan—Travel Santa Fe now—
pay later in easy monthly installments. Funds
available for rail accommodations and other
expenses for your trip. Simply make appli-
cation for this service with your railroad
ticket or travel agent.

Travel Credit Cards—Charge Santa Fe
tickets as easily as you would department
store purchases. Anyone with proper credit
rating may have a rail credit card. Present
it at any Santa Fe ticket window to charge
rail, parlor-car, or sleeping-car tickets
(amounting to \$5.00 or more) to any part
of the country. Bills rendered monthly.

Rail Auto Service—Enjoy the comfort
and economy of rail travel—and still have
the convenience of a late-model automobile
at your destination. Moderate cost. This
plan now in operation in many U. S. cities.

Prepaid Tickets—Tickets can be delivered
to any point in the U. S. by making a deposit
with your Santa Fe ticket agent. Pullman
accommodations, incidental cash included,
if desired. A particularly attractive service
for transportation arrangements of elderly
people, invalids, students, etc.

Parmalee Transfer—Passengers hold-
ing tickets through Chicago may ride Par-
malee coaches from the Dearborn station to
any out-going depot, hotel, or downtown
destination. Baggage included. This service
available by presenting the Parmalee coupon
which is a part of your through rail ticket.

Open For Food Care to Needy British Share Through CARE Committee Now

A Share Through CARE Committee, headed by Douglas Fairbanks Jr., last week at a special press conference at a hotel in New York launched its initial project, the Princess Elizabeth Wedding Gift, in a nation-wide campaign to aid the British people through CARE's special food packages. Hamlin area people were urged to take part in the program.

Mr. Fairbanks made public a telegram from Lord Inverchapel, British Ambassador to the United States, conveying Princess Elizabeth's warm approval of the plan. The Princess will be married November 20, and CARE packages purchased as wedding gifts to her will be distributed to British families facing the acute food shortages in the coming winter.

The Share Through CARE Com-

mittee includes such noted people as Mrs. Vincent Astor, Quentin Reynolds, Cole Porter, Dr. Robert Milliken, William Randolph Hearst Jr. and Colby M. Chester. It is a permanent organization to send CARE packages to the needy in the 15 European countries served by the organization, CARE. The Princess Elizabeth wedding gift is the group's first undertaking, Fairbanks said. It is expected that British and American groups and individuals will swell the total gift to 50,000 packages to be presented to Princess Elizabeth on her wedding day.

Individuals who wish to participate in the campaign, Fairbanks said, may do so by mailing their orders to Share Through CARE Committee, 50 Broad Street, New York 4, New York, with \$10 check or money order for each package.

Training Union Adult Class Has Officer Installation

In an impressive candlelight service Sunday evening preceding the regular program, officers of the adult class number one of the First Baptist Training Union were installed with the pastor, Rev. John H. Osteen in charge.

Retiring president, Lester Morton, introduced the installing officer.

Officers accepting the charges of the offices were: Mrs. Herman Treadwell, president; Mrs. Fred B. Moore Jr., vice-president; Herman Treadwell, secretary; Mrs. Lester Morton and A. G. Irwin, Bible leaders; Mrs. Donald B. Bryant, missionary leader; Lesley Sheilburne and Mrs. P. D. Funderburk, group captains and Fred B. Moore, social chairman.

Local Baptist Youths Attend Rally Saturday

Several representatives from the young people's department of the First Baptist Church attended the city-wide youth rally held at the First Baptist Church in Abilene Saturday evening. Rev. John H. Osteen, local pastor, was guest speaker on the program.

Those attending were Bill Bellah, Tommy Latham, Aubrey Altum, Myrtice Marie Clemmer, Margaret Ryan, Donna Gayle Miller, Lovena Kite, Faye Altum and Rev. Osteen.

The group made the trip in the station wagon belonging to Stanley and Art Carmichael.

A picnic supper was enjoyed at a roadside park preceding the program.

"The world is engaged in a battle of ideas, and it is our duty to present the Christian way of life," Rev. Osteen told the group. He reflected on the World Congress and stated the reasons why he believes that Christ is the answer to world peace.

Expressive Term Aply Used By Rendering Firm

On a page of this issue of The Herald will be found a small ad which pictures a comical looking cowboy dragging a cow by the tail.

The cow, though obviously dead, looks extremely happy as she trots her four feet and her four spigots at the sky.

The cow and the cowboy make up the trade-mark of the Central Hide & Rendering Company. The company dubs itself as "Your Local Used Cow Dealer", which is expressive enough when one considers the business engaged in by this concern.

The company is in the business of removing dead and crippled cows—also mules, horses, sheep, goats, hogs for that matter—from the premises of the people of this area. With a branch at Abilene, company representatives have on numerous occasions hauled off carcasses from Jones County and the Hamlin vicinity. All one needs to do is call collect the number given in the ad and the company's truck will be right over to save the bereaved owner from having to dispose of the remains of "Old Betsy" or "Old Dobbin". There is no charge whatsoever for the service. For obvious reasons, though, the sooner after the demise the call is made the happier everybody concerned in the matter will be. Jim McDonald, manager of the company, pointedly suggests.

Has 'em All.

"Do you sell oil?" said a tourist to a country storekeeper.

"Yes, ma'am: Hair, machine, lamp, salad, motor or castor?"

He—"What is home without a mother?"

She—"I am—tonight."

Policeman—"Little boy, do both of your dogs have licenses?"

Boy—"Yes, sir. They're just covered with 'em."

Irwin Says 100,000th Kaiser-Frazer Made

Jimmy Irwin, head of the Irwin Motor Company, local Kaiser-Frazer dealer, reported this week that the 100,000th automobile to be built by the Kaiser-Frazer Corporation rolled off the Willow Run assembly lines last Thursday and at the same time revealed company plans to introduce a new model. The new car is described as a "luxury sedan" and is to go into production immediately.

Irwin said he was proud of the way in which the concern, one of the first of new motor car makers to get underway after the war, took 15 months to achieve its first 100,000 cars.

Harry—"My wife won five hundred bucks at the races yesterday and split with me."

Jerry—"You got half?"

Harry—"No, she packed her bag and left me!"

POT-SHOTS FROM McCAULLEY

By GEORGE DARDEN

Mrs. Frank Drennan sent in \$5 for the McCauley Cemetery Fund. Your contributions are appreciated by the community. Let's keep up the work.

Mrs. W. C. Lee is back home and doing nicely after under going surgery in a hospital in Rotan.

Twin boys were born last week and the proud parents are Mr. and Mrs. W. R. Moffett of Sylvester.

Mrs. Jack Griffith and daughter, Mrs. Sybil Stevenson are in De Leon, at the bedside of Mrs. Griffith's

mother who is seriously ill.

Rev. C. E. Dick is doing nicely after undergoing surgery at a hospital in Dallas.

Jim Fancher returned to McCauley last week on account of illness and is under going treatment at a hospital in Rotan. He has been employed at a cotton gin near

Farmers are crying for cotton pickers, but you can't stop 'em. Some of these days in the near future the mechanical cotton picker will take over and the boll pullers can go to the Plains.

The new owners of the cotton gin at McCauley, now known as the McCauley Supply Company are getting a lot of encouragement from the farmers, stockmen and business men of surrounding communities. Besides dealers in cotton, grain and all kinds of feed, gas and oils the new owners plan a tractor dealership after the first of the year. Might even buy your livestock. In fact its going to be a market that will be an asset to Fisher County, and we would like to gin your cotton.

Mrs. George Maberry has arrived home from sunny California after a four-weeks' visit with a sister in that state.

McCauley High School is going to town. The boys went over to Sylvester last Friday and defeated Sylvester High School by a score of 30 to 0. This coming Friday on the local field St. Joseph Academy of Abilene will arrive in McCauley to take on the local boys. We hope a great crowd turns out to see these two fast teams in action.

John Dean, contractor for the new school building, has finished his job and the school board have ac-

cepted the new building. Yep, pretty soon all we natives can gather at the new Gym and see some fine basketball games. That's mighty good entertainment in winter time as well as popping corn.

The county is going to be minus cow stock pretty soon if the auction rings continue to overflow with cattle. Some 3,000 head went through the ring at Abilene one day last week. We sho' gotta' have rain or no feed and if no rain then naturally it's going to be auction rings for the country's cattle.

Walter Nash Miers, 12-year-old 4-H Club boy of Fisher County, captured the junior champion cow at the West Texas Fair in Abilene last week.

Marney Mason and daughter, Marylan, of Comanche and aunt from Houston visited last week-end with Mrs. Flora and Miss Gertie Mason in McCauley.

Mr. and Mrs. Al Johnson of Abilene visited last Sunday with his sister and husband, Mr. and Mrs. Melvin Henderson, south of McCauley. Al is as you know a star football player on the Hardin-Simmons University, Abilene, famous Cowboy team. He formerly played High School and later started on six man football with the McCauley the Hamlin High School team.

Levi McCollum is beautifying a play ground and park near his home in McCauley and knowing Levi as we do, we gotta' notion that he will let his friends in on the playground when it's completed. Yep, folks around the old home town are looking to the future and we figure in a few years old McCauley will be one of the best trade centers in West Texas. Fact of the business is plans are being made by local promoters to have a market for everything the farmer has to sell, also have what he needs to buy. After all, there is no point in having to drive a hundred or so miles to peddle your poultry, livestock, produce and the like, when a market is at home. Yep, after the first of hte year we hope to be ready to buy your grain, cotton, livestock, gas and oils will be sold wholesale and retail right in McCauley and folks the business that you do with us will remain at home. A prosperous community is a place where the money stays at home. Thanks for the encouragement from home people including business men, bankers, farmers and 'ec-men. With the cooperation of the people of this part of the country we are going to do big things in McCauley.

Mr. and Mrs. Albert Gallaway Jr. and son from Ralls visited last week-end with parents in this community. Mr. and Mrs. A. A. Gallaway and Rev. and Mrs. C. E. Dick.

M. P. May and Tite May of Hamlin and Parker May of Washington, D. C. were seeing friends in McCauley on Friday of last week.

Mrs. Laura Woods reports a wonderful time while on a visit recently in New York, Washington, D. C. and Virginia. Mrs. Woods formerly a McCauley resident now makes her home in Hamlin.

Alabama is a Creek Indian word meaning "place of rest."

PASTEL STRIPES

Pastel striped novelty cotton by Hope Skillman is used for this sprightly young junior dress, brightened by the wide dust ruffle at the hem. The dress has a cut out applique fabric bow at the neck, small pearl buttons to the waist, and a full all-around gathered skirt that falls from a set-in

News Briefs From Haskell County

Eight Haskell County schools have signed school lunch contracts. They are, Haskell, Rule, O'Brien, Rochester, Sagerton, Paint Creek, Weinert and Mattson. . . Rule Garden Club holds its first meeting of the year this week. . . Rule Kittens were defeated 27-21 by the Munday Mogul Juniors, while the Rule Bobcats edged out Haskell Indians 7 to 6 in a surprise upset. . . 10,000 people saw the parade opening the Central West Texas Fair at Haskell and thousands more enjoyed the annual three day event. . . George Neely, county Red Cross chairman for the past four years, was re-elected at the recent meeting of the nominating committee. Wanda Dulaney is executive secretary. . . Haskell city dads are cracking down on the users of fireworks. . . Cotton ginning in the county has reached peak proportions, with fields opening rapidly. . . Rochester trampled Holiday 30-19. . . Mattson six-man footballers went on a spree wallowing Goree 74 to 0. . . Wives of nine Haskell ministers, representing every church in that city, have organized a ladies' group known as United Christians League.

Jake Weir was able to go back to McMurry College in Abilene Sunday after having been here at the home of his parents, Dr. and Mrs. W. C. Weir, with a sprained ankle for several days.

Personal Notes

Mrs. J. W. Wendel has returned home from Pasadena, California, where she has been for the past four months with her daughter, Mrs.

IMPERIAL BARBER SHOP

Hair Cuts, Shaves
Shampoos and
Tonics

Jimmy Simmons—Glenn Hill
Parker Wheat

Clara Verner, teacher in the Nazarene College there. Mrs. Wendel was in California for her health and her asthma whose condition did improve some, but since returning to Hamlin she has been confined to her home.

Mr. and Mrs. Harry Carmichael and son have moved into the house on Houston Street, which they have purchased.

Mrs. J. W. Crawford of Fort Worth is here for a visit with her son, Rev. and Mrs. J. T. Crawford, and family.

Agnes Morton of Abilene spent the week-end with her parents, Mr. and Mrs. J. H. Morton.

Mrs. Harold Wheat had an emergency appendectomy last Wednesday in Abilene and is reported getting along nicely. Plans were that she would be brought home Thursday or Friday.

Mrs. C. P. Chastain has been ill this week at her home, but is reported much improved.

Blessed Events

Mr. and Mrs. Andy Hill are the parents of a son, born Sunday morning, September 28 at a Stamford hospital. He tipped the scales at nine pounds and 13 ounces and has been named Jerry Wayne.

Former Resident, Mrs. Lucy Kirtley, Dies In Dallas

Mrs. Lucy Emmaline Morris Kirtley, 78, a former Hamlin resident, died at the home of her niece, Mrs. Henry Aldridge, in Dallas Friday afternoon.

Mrs. Kirtley was born December 8, 1868 at Sullivan Springs, Arkansas. She was converted and joined the Methodist Church at the age of 13, and in later years joined the Church of the Nazarene.

She was married to George W. Kirtley, and to this union one son was born, Ulysis Vernon Kirtley. Her husband preceded her in death when their son was 16 years of age. Her son died in World War I.

Funeral services were conducted here Sunday afternoon at 1:00 o'clock p. m. at the Church of the Nazarene with Rev. Dan D. Jones and Rev. J. T. Crawford officiating.

She is survived by four sisters, Mrs. Minnie Dawson, of California, Mrs. O. L. Weaver, Carnegie, Oklahoma, Mrs. James Wright, Berryville, Arkansas and Mrs. Ken Reeves of Cord, Arkansas; and two brothers James A. Morris of Batesville, Arkansas and B. D. Morris of Dallas.

J. F. Gay Dies In Joplin, Missouri

J. F. Gay, who lived in the Wise Chapel community many years ago, died at Joplin, Missouri Tuesday, September 30, according to word received here by his nieces, Miss May Gay and Mrs. Oscar Jenkins.

Funeral services were held at Joplin Thursday.

Cultivation of cotton first began in the South about 1621.

Railway Official Charges Plot To Seize Control

Hamlin area railway workers and people interested in railroads were this week informed by C. E. Johnson, chairman of the Western Association of Railroad Executives, that certain "left wingers" high in government service are "conspiring to seize the railroads and through dictatorial control of railroad service and rates, dominate the economy of the whole country."

In speaking before the Railway Tie Association Johnson asserted that while the plot had the earmarks of having been hatched in Moscow "I think it was concocted in the brains of a relatively small group of professional schemers who aspire to plan to regulate your way of life and mine."

He continued that the attitude of these schemers towards the railroad industry makes it very clear that they are resolved to destroy it by fair means or foul.

"The railroads have been the target of an unprecedented avalanche of vicious, lying propaganda, much of which is emanating from government sources or from sources which are obviously inspired by the government or beholden to it."

Referring to the conspiracy, Johnson declared that "this 'left wing' goon squad has even sought to pressure the Interstate Commerce Commission to do its bidding. Failing in that, it has sought to destroy public confidence in the Commission. It falsely represents the Commission as a group of railroad minded men who do the bidding of the railroads and ignore the public interest. Well, take a look at the record. During the depression and the recession 1930's, railroad rates were held at such low levels that about one-third of the nation's railroad mileage was forced into bankruptcy. Today, with peacetime traffic at the highest level in history, some of our largest railroads are operating in the red. Does that spell railroad domination?"

"This 'left wing' crowd is the same one that busted up the Pullman Company, and subsequently one of its members appeared as the attorney for certain interests that sought to buy the sleeping car business of the nation. It is a matter of court record that these interests had the all-out support of the Anti-Trust Division of the Department of Justice.

"In all the hearings on the Bulwinkle-Reed bills, which the Anti-Trust Division has appeared against, lobbied against, and propagandized against, their lawyers have never attempted to propose a substitute for the conference method of initiating freight rates. They have been asked to do so time and time again, but they always duck out. Why? Because it is their purpose to destroy ownership of the railroads by any possible means. It is not their purpose to try to tell the railroads how to continue under private ownership and obey the law as they seek to construe it.

"The whole purpose of the Bulwinkle-Reed legislation is to enable the railroads, under Interstate Commerce Commission regulations and supervision, to stay in business—for private industry to stay in business.

"The anti-railroad mob is doing everything in its power to prevent what happens. It will tell that bill from becoming a law. Now you where we are heading."

Mission Priest Dies In Rotan Hospital

Requiem mass was said at St. Joseph Catholic Church in Rotan Monday morning for the Rev. John Borowski, head of the parish there for the past seven years and leader of mission churches in Hamlin, Spur and Jayton. Interment was at Rotan. The Rev. Hardigan, new parish priest, conducted the mass.

Hamlin's mission is located near the community of Hinson. Father Borowski died in a Rotan hospital early Friday following an illness of several weeks from heart trouble.

To rid a lawn of ants drill several holes in each ant hill with a stick; pour into each hole two ounces of carbon bisulphide; and cover the whole nest with canvas. The fumes will kill the ants.

Baptist Group Plans Seminary In Jacksonville

Elder W. E. Nunn, pastor of the Calvary Baptist Church spent several days last week in Jacksonville attending a meeting of a special committee from the Texas Baptist Association studying selection of a seminary site for the American Baptist Association.

He reported that preliminary approval had been given Jacksonville as the site for the seminary which would be owned and operated by the ABA.

The selection was disclosed to the representatives of 123 churches from six southwestern states. It is to be presented to the annual meeting of the Texas group in November and to the American Baptist convention at St. Louis next March.

It is hoped to open the seminary by next fall. At the start it will operate in conjunction with Jacksonville College, already operated by the denomination.

State Starts New Fiscal Year With Hefty Balances

The Texas Government, which is a rather important institution with Jones Counties, has started off on a new fiscal year with nearly \$50,000,000 of spending money in its treasury. It was the beginning balance on record.

An Austin source says state finance are conducted from September 1 to August 31.

As many citizens know, the state spending fund is known officially as the general revenue fund. It is the one from which state appropriations are taken for operation of the state departments, bureaus, boards and commissions—and also contributes to welfare and educational expenses.

Exact amount of the new fund, citizens just back from Austin say, will not be known until all warrants issued in August have been deducted. September 3 the balance was approximately \$49,000,000.

A year ago, Snyder people recall, the state balance was \$34,094,395. Compared with 10 years ago the state finance outlook was rosy.

In 1936 the State of Texas started off with a deficit. This situation grew worse until 1942, when the state went \$29,243,065 in the red. It came out of the deficit in 1945 with about \$13,500,000 and has kept its upward swing since.

Texas Cottonseed Supply Up From Reserves in 1946

"Movement of cottonseed to crushing mills, Hamlin area farmers and ranchers are advised, has been small in volume except in South Texas and the Rio Grande Valley," Cottonseed Review of the U. S. Department of Agriculture states this week.

"It will be of interest to each Jones County rancher who will have to feed livestock during the winter to know that cottonseed production from the 1947 crop, based on estimates of August 1, will be approximately 4,800,000 tons—as compared with 3,513,000 tons produced in 1946.

"Acreage of oil bearing crops for '47 is season is estimated at 42,300,000 acres.

"Imports of fats and oils," the review continues, "in terms of oil equivalent are expected to be larger the 1947 season has been sharply increased over last year. The planted acreage of oil bearing crops in 1947 than the 966,000,000 pounds the five months of 1947 was 698,000,000 pounds.

"Prices now being paid for cottonseed range from \$55 per ton in District 10 to \$80 per ton in District 4. Average price for the state was \$70.80 per ton—compared with \$64.60 a year ago.

"Sampling and grading of cottonseed," the review concludes, "is under supervision of the Production and Marketing Administration."

Under modern conditions it costs over \$120 to grow an acre of potatoes.

Paints! Change-o! Overnight
New colorful Rooms for Happy Holidays

It's all so easy... this new "magic" of changing dull, drab rooms overnight into bright ones that sparkle immaculately with fresh paint. You'll marvel how quickly and easily REV covers... and it dries in 30 minutes.

REV has everything... everything that makes for ease of application, beauty and excellence of finish. A new principle in water-thinned paint. Rev is self-priming... adheres successfully to any surface... dries to a tough homogeneous film... it is completely insoluble in water.

REV is a new and revolutionary development in home decorating. Come in and let us show you what REV can do.
